A wonderful evening has taken possession of my whole soul; the first sweet feelings of spring which I enjoy with my whole heart. I am alone, and feel the charm of existence in this spot, which was created for the bliss of souls like mine, and so happy, my dear friend, as described in the exquisite verse of some English poetess, that I repeat my thanks. I should be incapable of drawing a single stroke at the present moment, and yet I feel that I never was a greater artist than now when the dusky ruddy beams with vapour surround me, and the twilight sun strikes the upper surface of the impenetrable foliage of my trees, and that a few stars gleam down into the inner sanctuaries. I throw myself down among the tall grass by the running stream; and, as I lie down in the grass, a thousand uncertain points are reflected by me, when I look the face of the blue world among the stalks and grass familiar with the countless innumerable forms of the insects and flies, then I feel the presence of the thought, who formed up in the last stage, and the beauty of wonderful scenery has taken possession of my whole soul.
