Yuanyuan Qu

Buy Online Becoming Citizen Activist Strategies Changing:

Social Changes in a Global World Ulrike Schuerkens, 2017-05-01 Renowned author Ulrike Schuerkens presents an in depth exploration of social transformations and developments Combining an international approach with up to date research the book Has dedicated chapters on contemporary topics including technology new media war and terror political culture and inequality Includes an analysis of societal structures inequality globalization transnationalism Contains learning features including discussion questions annotated further reading chapter summaries and pointers to online resources to assist with study A must buy for students taking modules in social change social inequality social theory and globalization

Communicating Social Change Mohan J. Dutta, 2011-05-10 Communicating Social Change describes the social challenges that exist in current globalization politics and examines the communicative processes strategies and tactics through which social change interventions are constituted in response to the challenges

Becoming Digital Citizens Yuanyuan Qu, 2025 This Book introduces the theme key concepts and theories and methods of the book It starts with introducing the trend for Chinese disabled people to become visible agents over the past decade which happens in the context of China's rapid reforms and digitalisation It then presents an overview of the key concepts and theories that framed the analyses in the subsequent chapters From the classic conceptualisation of citizenship developed by T H Marshall to later theoretical shifts and studies of disability citizenship and digital citizenship the chapter critically reviews the existing theorisations of citizenship and disability and points out the key dimensions and gaps It raises the research question of examining the status and practices of Chinese disabled people in the digital era The chapter then introduces the approaches analytical framework and methods of the research and the structure of the book Provided by publisher

Fundraising for Social Change Kim Klein, 2011-04-18 This bestselling book is one of the most widely used in the field by nonprofit organizations across the country A soup to nuts description of how to build maintain and expand an individual donor program this book is often called the Bible of grassroots fundraising Praise for the Sixth Edition of Fundraising for Social Change People love Kim's fundraising wisdom and her keen ability to connect fund development with what matters in our communities I always recommend Fundraising for Social Change to organizations in need of a book with ideas they can use right away as well as information about how to build a successful long term fundraising program Steve Lew senior projects director CompassPoint Nonprofit Services I used Fundraising for Social Change as a textbook for my class for many years and often recommend it to grassroots organizations as a primer for developing a fundraising strategy Kim's years of experience and her own broad knowledge of the field give the book heft and credibility Her pragmatism and sense of humor make it readable and engaging Maria Mottola executive director New York Foundation The information and inspiration we have received from Kim Klein's books have been key to our grassroots fundraising efforts Some people go back to Proust I go back to her specifics about how to write a fundraising plan that actually works Bob Fulkerson state director Progressive Leadership Alliance of Nevada PLAN Kim makes me a believer

again whenever I am in her presence be it through her spoken or written word While she provides the basics of raising money in an accessible form what I truly value is the deep sense of purpose she reawakens in me as a fundraiser activist Miguel Gavalda n fundraising coach and trainer Grassroots Institute for Fundraising Training Whatever role I am in I turn to Fundraising for Social Change Working with Kim to present Fundraising for Social Change workshops in communities changes lives both professional and personal including mine She offers hands on experience and extraordinary human values to the nonprofit sector as well as skilled expertise in teaching others how to make fundraising fun and meaningful to our whole life Jaune Evans development chair Yerba Buena Center for the Arts

Activism and Digital Culture in Australia , Debbie Rodan, Jane Mummary, 2017-11-24 Activists use digital as well as mainstream media tools to attract supporters advertise their campaigns and raise awareness of issues in the broader community Activism and Digital Culture in Australia examines the use of digital tools and culture by Australian and international activist organisations to facilitate public engagement participation and deliberation in issues and advance social change In particular the book engages media studies cultural studies social theory and various ethical and political philosophical perspectives to examine the use of digital multi platform tools by activist organisations and advocates for social change to a disseminate information and raise public awareness b invoke inform and shape public debate through the provision of information and invocation of affect and c garner public support including funding for issues and for associated social change Engaging both qualitative and quantitative approaches these case studies will demonstrate the richness of digital culture for activism and advocacy examining the use by activist organisations of such digital media tools as apps blogging Facebook RSS Twitter and YouTube The shows that digital culture offers productive mechanisms and spaces for the reshaping of society itself to take more of a participatory role in progressing social change

From Anger to Action Ben Jackson, Harriet Lamb, 2021-05-07 From Anger to Action tells the stories of the citizens movements charting new paths to tackle the big global challenges that lie behind the political upheavals of our times Drawing on candid insights from citizens activists and innovators and their own experiences as leaders of internationally recognized advocacy organizations the authors give an insider account of the battle for change and how it can be won as well as trenchant criticism of where traditional civil society has lost its way and needs renewal While unflinching on the dangers of the current political crises the book offers hard edged hope and a vision for citizen led change to reshape our fractured politics We meet communities in economically battered towns welcoming refugees and Syrian peacebuilders reaching across impossible divides go behind the scenes with Fairtrade banana farmers and hear of frenzied climate campaigners pushing divestment from oil companies and using social media to drive change Lamb and Jackson explore how citizens movements are transforming our global politics refashioning internationalism and fighting back against narrow nationalism The book analyses why some movements secure lasting change and others fail And they show how these insights could shape a wider strategy for grassroots up transformation From Anger to Action will be of

interest to social activists and anyone interested in social movements global change and civil society **The Oxford Handbook of Social Movements** Donatella della Porta, Mario Diani, 2015-10-29 The Oxford Handbook of Social Movements is an innovative volume that presents a comprehensive exploration of social movement studies mapping the field and expanding it to examine the recent developments in cognate areas of studies within and beyond sociology and political science This volume brings together the most distinguished social and political scientists working in this field each writing thought provoking essays in their area of expertise and facilitates conversations between classic social movement agenda and lines of research The Oxford Handbook of Social Movements discusses core theoretical perspectives recent contributions from the field and how patterns of macro social change may affect social movements as well as suggesting what contributions social movement studies can give to other research areas in various disciplines **Presidential Campaigning in the Internet Age** Jennifer Stromer-Galley, 2014 Draws on data from the past five presidential campaigns including interviews with staff Argues against prevailing notions that Digital Communication Technologies DCTs have a democratizing effect on campaigns Offers historical contextualization of presidential campaign practices and their adoption of DCTs Considers how political campaigning is changing with the adoption of DCTs Political Participation Thalia Quayle, AI, 2025-01-31 Political Participation presents a compelling analysis of how citizen involvement shapes democratic societies addressing the concerning trend of declining voter turnout in many democratic nations The book builds its narrative around three essential pillars voting as democracy s foundation activism as a driver of change and sustained civic engagement as democracy s supporting framework Through a blend of historical analysis contemporary case studies and research data it demonstrates how these elements work together to create meaningful political impact The text uniquely bridges the gap between theoretical understanding and practical application examining successful movements from civil rights to environmental protection that have effectively combined electoral participation organized protest and community involvement Drawing from studies across multiple democracies it presents concrete evidence showing how increased civic participation correlates with better governance and improved social outcomes The book s analysis of modern political engagement includes the transformative role of social media and digital activism making it particularly relevant to contemporary readers Structured in three comprehensive sections the book progresses from an examination of voting systems and participation barriers to an exploration of various forms of activism concluding with strategies for sustained civic engagement It offers practical frameworks and actionable strategies while addressing current controversies such as voter ID laws and digital privacy in political organizing By combining academic insight with accessible language the book serves as both a theoretical guide and a practical manual for anyone seeking to understand or enhance their political impact in democratic systems *The Global Public Relations Handbook* Krishnamurthy Sriramesh, Dejan Vercic, 2003-06-20 This handbook represents the state of the public relations profession throughout the world with contributions from the Americas Europe Asia and Africa A resource for

scholars and advanced students in public relations international business
