

Buzzfeed Breaking Bad

Lucy Küng

Buzzfeed Breaking Bad:

Designing the Editorial Experience Sue Apfelbaum, Juliette Cezzar, 2014-05 DIV Find examples of editorial design audiences for content what forms the content takes and how workflow is managed This book provides a primer on the elements of editorial design that result in rich editorial experiences div Breaking Bad Trivia And Quiz Book Merle Wittkopp, 2021-01-17 Breaking Bad remains a masterpiece a work of art a momentous feat of television and its popularity has only soared following the hugely popular Better Call Saul prequel series and El Camino sequel film It had moderate viewership in its first three seasons but the fourth and fifth seasons saw a significant rise in viewership when it was made available on Netflix just before the fourth season premiere By the time that the series finally aired it was among the most watched cable shows on American television Athletes Breaking Bad John C. Lamothe, Donna J. Barbie, 2020-06-24 At their basic level sporting events are about numbers wins and losses percentages and points shots and saves clocks and countdowns However sports narratives quickly leave the realm of statistics The stories we tell and retell sometimes for decades make sports dramatic and compelling Just like any great drama sports imply conflict not just battles on the field of play but clashes of personalities goals and strategies In telling these stories we create heroes but we also create villains This book is about the latter those players who transgress norms and expectations and who we label the bad boys of sports Using a variety of approaches these 13 new essays examine the cultural social and rhetorical implications of sports villainy Each chapter focuses on a different athlete and sport questioning issues such as how notorious sports figures are defined to be bad within particular sports and within the larger culture the role media play in creating antiheroes fan reactions when players cross boundaries and how those boundaries shift depending on the athlete's gender sexuality and race **Breaking Bad, le culte de l'anti-héros** Charlotte Papet Amélie Brillet, **In Emergency, Break Glass** Nate Anderson, 2022-05-10 An Ars Technica Holiday Reading Title of 2021 A lively and approachable meditation on how we can transform our digital lives if we let a little Nietzsche in Who has not found themselves scrolling endlessly on screens and wondered Am I living or distracting myself from living In Emergency Break Glass adapts Friedrich Nietzsche's passionate quest for meaning into a world overwhelmed by content Written long before the advent of smartphones Nietzsche's aphoristic philosophy advocated a fierce mastery of attention a strict information diet and a powerful connection to the natural world Drawing on Nietzsche's work technology journalist Nate Anderson advocates for a life of goal oriented creative exertion as more meaningful than the frictionless leisure often promised by our devices He rejects the simplicity of contemporary prescriptions like reducing screen time in favor of looking deeply at what truly matters to us then finding ways to make our technological tools serve this vision With a light touch suffused by humor Anderson uncovers the impact of this yes saying philosophy on his own life and perhaps on yours **Innovators in Digital News** Lucy Küng, 2015-07-16 News organisations are struggling with technology transitions and fearful for their future Yet some organisations are succeeding Why are organisations such as Vice

and BuzzFeed investing in journalism and why are pedigree journalists joining them Why are news organisations making journalists redundant but recruiting technologists Why does everyone seem to be embracing native advertising Why are some news organisations more innovative than others Drawing on extensive first hand research this book explains how different international media organisations approach digital news and pinpoints the common organisational factors that help build their success

Bad News Batya Ungar-Sargon, 2023-03-28 Something is wrong with American journalism Long before fake news became the calling card of the Right Americans had lost faith in their news media But lately the feeling that something is off has become impossible to ignore That's because the majority of our mainstream news is no longer just liberal it's woke Today's newsrooms are propagating radical ideas that were fringe as recently as a decade ago including antiracism intersectionality open borders and critical race theory How did this come to be It all has to do with who our news media is written by and who it is written for In *Bad News* How Woke Media Is Undermining Democracy Batya Ungar Sargon reveals how American journalism underwent a status revolution over the twentieth century from a blue collar trade to an elite profession As a result journalists shifted their focus away from the working class and toward the concerns of their affluent highly educated peers With the rise of the Internet and the implosion of local news America's elite news media became nationalized and its journalists affluent and ideological And where once business concerns provided a countervailing force to push back against journalists' worst tendencies the pressures of the digital media landscape now align corporate incentives with newsroom crusades The truth is the moral panic around race encouraged by today's elite newsrooms does little more than consolidate the power of liberal elites and protect their economic interests And in abandoning the working class by creating a culture war around identity our national media is undermining American democracy *Bad News* explains how this happened why it happened and the dangers posed by this development if it continues unchecked

Breaking Mic Wright, 2025-06-12 Brimming with intelligence energy ethics and impeccable research Samira Ahmed The modern media is breaking Now more than ever the media is crucial in shaping what we know about the world around us So what happens when this vital part of our society fails in its basic role and how can we even begin to understand the mess it's in From those who own the news and the battle for balance at the BBC to the intricacies of political journalism and the trade's ethics the modern media is as complex as it is flawed Through personal experience of the newsrooms and insider interviews journalist Mic Wright strips the engine of information entertainment and propaganda back to its constituent parts and lays it bare In this revealing deep dive *Breaking* shows how our news media works and ultimately how it doesn't With his frank and comprehensive analysis Mic equips the reader with the tools to better interrogate our media separating the fair from the ethically dubious the truths from the half truths and the downright lies

The Routledge Companion to Gender, Sexuality and Culture Emma Rees, 2022-09-02 The Routledge Companion to Gender Sexuality and Culture is an intersectional diverse and comprehensive collection essential for students and researchers examining the intersection of

sexuality and culture The book seeks to reflect established theories while anticipating future developments within gender sexuality and cultural studies A range of international contributors including leaders in their field provide insights into dominant and marginalised subjects Comprising over 30 chapters the volume is comprised into five thematic parts Identifying Embodying Making Doing and Resisting Topics explored include homonormativity poetry video games menstruation fatness disability sex toys sex work BDSM dating apps body modifications and politics and activism This is an important and unique collection aimed at scholars researchers activists and practitioners across cultural studies gender studies and sociology

Hero or Villain? Abigail G. Scheg, Tamara Girardi, 2017-10-27 One dimensional television characters are a thing of the past today's popular shows feature intricate storylines and well developed characters From the brooding Damon Salvatore in The Vampire Diaries to the tough minded Rick Grimes in The Walking Dead protagonists are not categorically good antagonists often have relatable good sides and heroes may act as antiheroes from one episode to the next This collection of new essays examines the complex characters in Orange Is the New Black Homeland Key Peele Oz Empire Breaking Bad House and Buffy the Vampire Slayer
