This Land We Call Home Nusrat F. Jafri, 2024-04-30

In 1871 the British enacted the Criminal Tribes Act in India, branding numerous tribes and caste groups as criminals. In *This Land We Call Home*, Nusrat F. Jafri traces the roots of her nomadic forebears who belonged to one such criminal tribe, the Bhandas, from Rajasthan, through the lens of caste and religious conversions over the last century. This affecting memoir explores religious and multicultural identities and delves into the profound concepts of nation building and belonging. Nusrat's family's conversion to Christianity as a response to Brahmanical gatekeeping highlights their struggle for acceptance. The family found acceptance in the church alongside a sense of community, theology, songs and carnivals and quality education for the children in missionary schools. Parallely, we see the family's experiences during Gandhi's return in 1915, the Partition, the two World Wars, the Emergency and the prime ministers assassinations. In a way, this is a story like and unlike the stories all of us carry within us, the inherited weight of who we are and where we come from, our tiny little

freedoms and our everyday struggles and mostly the intricate jumble of our collective ancestry Nusrat pays homages to her foremothers the first feminists and her forefathers the ones who tried hard to fit into a caste society only to be spat out and eventually chose alternative faiths in pursuit of acceptance The Life and Times of George Fernandes Rahul
