fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Secret Country Pamela Dean,2003-10-13 What happens when your fantasy world turns real Each vacation for the past nine years cousins Patrick Ruth Ellen Ted and Laura have played a game they call the Secret and invented scripted world full of witches unicorns a magic ring court intrigue and the Dragon King In the Secret they can imagine anything into reality and shape destiny Then the unbelievable happens by trick or by chance they actually find themselves in the Secret Country their made up identities now real The five have arrived at the start of their games with the Country on the edge of war What was once exciting and wonderful now looms threateningly before them and no one is sure how to stop it or if they will ever get back home An intricate sparkling web of intrigue and magic One of me very favorites Patricia C Wrede author of Dealing with Dragons

Dark Moon Meredith Ann Pierce,2003-06-23 Volume Two of the Firebringer Trilogy Carefully plotted with satisfying action and fully developed intriguing characters this is sure to please fantasy lovers Booklist He was the youngest prince the unicorns had ever known Aljan son of Korr Dark Moon A silver crescent on his brow and a white star on his heel were tokens that one day he was destined to become the legendary Firebringer but Jan had no knowledge of fire nor of where to find it Swept out to sea while defending the unicorns Jan is washed up on a distant shore only to find himself the revered captive of a strange race of two foots who treat him with awe even as they hold him against his will It is here that he witnesses the magic of fire for the first time and even more importantly discovers how he himself can create it But can he escape and bring the knowledge back to the unicorns in time to save them
