Biting Anorexia Biting Anorexia:

Biting Anorexia Lucy Howard-Taylor, 2009 A graphic yet poetic insight into the pain and suffering experienced by sufferers of eating disorders *The Spirituality of Anorexia* Emma White, 2018-06-18 Widely popularized images of unobtainable and damaging feminine ideals can be a cause of profound disjunction between women and their bodies A consequence of this dissonance is an embodied performance of these ideals with the potential development of disordered eating practices such as anorexia nervosa This book develops a spirituality of anorexia by suggesting that these eating disorders are physical symptoms of the general repression of feminine nature in our culture Furthermore it puts forward Goddess feminism as a framework for a healing therapeutic model to address anorexia and more broadly the slender ideal touted by society The book focuses on the female body in contemporary society specifically the development of anorexia nervosa and what this expression communicates about female embodiment Drawing upon the work of a variety of theorists social commentators liberation theologians and theologians it discusses the benefits of adopting female focused myths symbols and rituals drawing upon the work of Marion Woodman and Naomi Goldenberg Ultimately it theorises a theological approach to anorexia aimed at displacing the damaging discourses that undermine women in the twenty first century Offering an alternative model of spirituality and embodiment for contemporary women this book will be of keen interest to scholars of theology religious studies gender studies and psychology **Rabies, a long-standing One Health example - Progress, Challenges, Lessons and Visions on the way to 0 by 30** Salome Dürr, Anna Sophie Fahrion, Conrad Martin Freuling, Monique Sarah Léchenne, Marco Antonio Natal Vigilato, Sergio E. Recuenco, Thomas Müller, 2023-08-03 **The Buddha and the Borderline** Kiera Van Gelder, 2010-08-01 The Buddha and the Borderline is a riveting first person account of one woman's struggle with borderline personality disorder BPD a diagnosis some have called a psychiatric death sentence and her eventual triumph over her symptoms through dialectical behavior therapy and Buddhist spirituality **The Multimedia Encyclopedia of Women in Today's World** Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2013-01-09 This e only volume expands and updates the original 4 volume Encyclopedia of Women in Today's World 2011 offering a wide range of new entries and new multimedia content The entries reflect such developments as the Arab Spring that brought women's issues in the Islamic world into sharp relief the domination of female athletes among medal winners at the London 2012 Olympics nine more women joining the ranks of democratically elected heads of state and much more The 475 articles in this e only update accompanied by photos and video clips supplement the themes established in the original edition providing a vibrant collection of entries dealing with contemporary women's issues around the world **Preventing Harmful Behaviour in Online Communities** Zoe Alderton, 2022-04-11 Preventing Harmful Behaviour in Online Communities explores the ethics and logistics of censoring problematic communications online that might encourage a person to engage in harmful behaviour Using an approach based on theories of digital rhetoric and close primary source

analysis Zoe Alderton draws on group dynamics research in relation to the way in which some online communities foster negative and destructive ideas encouraging community members to engage in practices including self harm disordered eating and suicide This book offers insight into the dangerous gap between the clinical community and caregivers versus the pro anorexia and pro self harm communities allowing caregivers or medical professionals to understand hidden online communities young people in their care may be part of It delves into the often unanticipated needs of those who band together to resist the healthcare community suggesting practical ways to address their concerns and encourage healing Chapters investigate the alarming ease with which ideas of self harm can infect people through personal contact community unease or even fiction and song and the potential of the internet to transmit self harmful ideas across countries and even periods of time The book also outlines the real nature of harm based communities online examining both their appeal and dangers while also examining self censorship and intervention methods for dealing with harmful content online Rather than pointing to punishment or censorship as best practice the book offers constructive guidelines that outline a more holistic approach based on the validity of expressing negative mood and the creation of safe peer support networks making it ideal reading for professionals protecting vulnerable people as well as students and academics in psychology mental health and social care Ascending the Fourteener of Recovery KC Tillman, Bryn Tillman, 2022-09-15

Mother and daughter KC and Bryn detail their two year battle with the eating disorder anorexia nervosa Ascending the Fourteener of Recovery was written to offer hope and inspiration to others embarking on their own arduous ever changing path to healing As the mother daughter duo lead others through their descent into the hellacious trenches of a mental disorder with the highest mortality rates KC reveals how she stopped at nothing to find help and save her daughter s life Bryn discloses how the power of her mind first guided her into the darkness of an unhealthy relationship with food and then led her out into the light of recovery thanks in part to FBT Family Based Treatment When KC Tillman gave birth in 2000 she never imagined that her precious bundle of joy would become embroiled in a fight for her life just sixteen years later She shares the difficulties of parenting a teen with a stigmatized mental illness Bryn Tillman grew up setting impossibly high expectations for herself that produced feelings of inadequacy imperfection and failure She mistakenly believed that everyone else also hated their reflection in the mirror and constantly strived to be a better physical being like she did Little did Bryn know how wrong she was Ascending the Fourteener of Recovery is the moving story of a teenager s battle with anorexia and her mother s tenacity in beating it while holding on tightly to hope *Australian Family Physician* ,2009 **Narrative Psychiatry and Family**

Collaborations NINA JØRRING, June Alexander, David Epston, 2022-03-24 Narrative Psychiatry and Family Collaborations is about helping families with complex psychiatric problems by seeing and meeting the families and the family members as the best versions of themselves before we see and address the diagnoses This book draws on ten years of clinical research and contains stories about helping people who are heavily burdened with psychiatric illnesses to find ways to live a life as close as

possible to their dreams The chapters are organized according to ideas values and techniques The book describes family oriented practices narrative collaborative practices narrative psychiatric practices and narrative agency practices It also talks about wonderfulness interviewing mattering practices public note taking on paper charts therapeutic letter writing diagnoses as externalized problems narrative medicine and family community meetings Each chapter includes case studies that illustrate the theory ethics and practice told by Nina J rring in collaboration with the families and colleagues The book will be of interest to child and adolescent psychiatrists and all other mental health professionals working with children and families

Feast or Famine Karen McMillan, 2013-12-16 A book of hope and inspiration for sufferers of eating disorders and their families and friends This indispensable book details the author s own story of battling anorexia when she was 18 as well as the personal stories of other sufferers of bulimia anorexia and binge eating There are interviews with specialists in the field and a comprehensive look at the current treatments Feast or Famine discusses the risk factors that trigger these mental illnesses and how the beauty and fitness industries advertising and media propagate cultural ideas about thinness that often precipitate the development of eating problems Written in a very accessible way this is a very helpful book both to young people with eating disorders and their parents It provides honest stories and practical information and advice
