The Cambridge Companion to American Poetry Since 1945 Jennifer Ashton, 2013-02-08 Explores the ways in which American poetry has documented and sometimes helped propel the literary and cultural revolutions of the past sixty five years

Angels of the Americlypse: An Anthology of New Latin@ Writing Carmen Giménez Smith, John Chávez, 2014-06-18 The contemporary literary moment the anthology Angels of the Americlypse New Latin Writing attempts to capture is one defined by diversity various points of view literary styles and voices topical concerns and senses of self Not only have these writers widened the field they have forged new inquiry into their own experiences of the world as they live in it and understand it Writing in forms of lyric short short fiction nonfictional prose and in various degrees and forms of experimentation this collection represents one of the first efforts in years to include a critical introduction to the writers poetry or prose their literary work and their own aesthetic statements meant to express their distinct literary presence in American letters

If Birds Gather Your Hair for Nesting Anna Journey, 2009 In this debut collection Anna Journey invites the reader into her peculiar noir universe nourished with sex and mortality Her poems are haunted by demons ghosts and even the living who wander exotic landscapes that appear at once threatening and seductive In these poems her sly speaker renames a pink hibiscus on display at Lowe's Lucifer's Panties another character chants I'd fall devil over heels over edge over oleander and one woman writes a letter to the underworld Dear black bayou once by a river I bit a man's neck His scent the raw teak air husked inside stomachs of six Russian nesting dolls the ones in the attic I pulled apart and open The ones I pulled apart and open like Styrofoam cups

Other Musics Cynthia Cruz, 2019-04-25 Latina poets occupy an important place in today's literary landscape Coming from diverse backgrounds they share an understanding of what it means to exist within the margins of society As artists they possess a dedication to their craft and a commitment to experimentation Their voices sometimes lyrical sometimes autobiographical sometimes politically charged are distinctly female Whereas previous anthologies have merged the works of Latino and Latina poets this collection is the first to showcase Latina poetry on its own terms For years readers have admired the poetry of prominent Latina authors Cherríe Moraga Ana Castillo and Sandra Cisneros Building on their inspirational legacy Other Musics heralds a new generation of Latina poets whose work blends traditional forms and styles with postmodern innovations These poets do not fit neatly into one category They come from all walks of life from remarkably varied class ethnic occupational and educational backgrounds Their topics and concerns are wide ranging All of the poets according to volume editor Cynthia Cruz are creating a new kind of music one that embraces the in between and bicultural world that Latina women must constantly
