Reading the Bible Badly Karl Allen Kuhn, 2020-08-31 Reading the Bible Badly exposes how American Christians

misunderstand and misuse the Bible reading Scripture through lenses that distort its true character As Americans we often read the Bible s stories and instruction unmindful of their historical and cultural settings disregarding the testimony of our spiritual ancestors and finding mostly a mirror image of our own values and selves in Scripture Some of us insist that the Bible must be the inerrant word of God historically factual in every way and doctrinally infallible and overlook so much of what makes Scripture beautiful and relevant Others follow a lectionary that dices and splices Scripture into bite size morsels for Sunday worship divorces passages from their biblical settings strikes verses deemed offensive and undermines the literary artistry that is the lifeblood of Scripture s profound revelation Many of us read the Bible in fear warping our witness to Jesus and tragically neglecting Scripture s ever persistent call to compassion hospitality and love We come to the Bible looking for simple rules that affirm our sense of right and wrong while missing the point of what Jesus taught about wisdom and true righteousness Reading the Bible Badly challenges Christians to set aside their misaligned lenses that they may encounter the Bible more fully and faithfully

Christianity Uncovered Hugh Fogelman,2012-05-29 Many Christians have told me to quit being so nit picking and let by gone be be gones that what happened in the past was then and now is now and things have changed But that is not true Christians still read from their so called NEW testament that is full of Jew bashing so subliminal that most Christians overlook it It is not my desire to claim Christianity is wrong and that you should not believe in your god but I want people to think Perhaps what you have been led to believe is wrong Think Why is it wrong for a Christian to deny the divinity of Jesus yet why do Christians turn their blind eye to Christians Missionaries trying to convert Jews against the basic tenants of Judaism Why is it that most all pictures of the different characters in Christianity have a sun disk above their heads The Church made its own spin on this calling them halos but didnt the Church change Sabbath to Sunday the day of the sun Who actually wrote the Christian bible that Christians all over the world swear it The Church admits they really dont know for sure and only guessed Did Jesus write anything in the NEW testament or was his thoughts written by men who thought they knew Why did it take 2 000 years before the Pope acknowledged the Christian hatred towards Jews and the need for Christians to repent Why all of a sudden were the Church wrong and the Jews right
