I Chronicles 1-9 Gary N. Knoppers, 2003-01-01 In his latest addition to the esteemed Anchor Bible Commentaries scholar Gary Knoppers examines one of the most neglected books of the Old Testament and established its importance as a key to understanding the nation of Israel Who were the Israelites Was Israel's first king Saul a hero or a disaster Was David a gifted and accomplished leader or a murderer and a cheat Did Solomon preside over the most glorious epoch in Israelite history or did he lead the nation into a fateful decline In I Chronicles the distinguished scholar Gary Knoppers addresses these questions through a thoughtful and exacting reading of one of the last books of the Hebrew Bible He shows that Chronicles which contains a variety of viewpoints on the major events and people provides a distinct perspective on much of Israel's past especially the monarchy He discusses how the chronicler's introduction to the people of Israel redefines Israel itself explains and defends the transition from Saul to David and shows how the Davidic Solomonic monarchy was not only a time of incomparable achievement and glory but also the period during which the nation's most important public institutions the Davidic dynasty the Jerusalem Temple the priests and the Levites took formative shape I Chronicles part of a two volume set is the first to employ systematically the Dead Sea Scrolls to reconstruct the biblical author's text Knoppers reveals how Chronicles is related to and creatively drawn from many earlier biblical books and presents a fascinating look at its connections in both compositional style and approach to the historical writings of ancient Mesopotamia and classical Greece Featuring a new translation and an extensive introduction that incorporates up to date research this volume replaces the Anchor Bible I Chronicles commentary written by Jacob Myers in 1965

The Prophet Is the People: An Answer to "Why Elijah?" in Second Temple Jewish and Early Christian Literature Alicia R. Hein, 2025-07-24 The question of why the prophet Elijah comes to hold such enduring significance in early Jewish and Christian tradition has previously remained largely unaddressed Why is it Elijah as opposed to any other prophet of the Hebrew tradition who is associated with Israel's future restoration Why is his return predicted by the book of Malachi Why are both Jesus and John the Baptist associated with Elijah in the New Testament Gospels This study argues that Elijah's literary character is portrayed and received throughout early Jewish and Christian literature as the paradigmatic prophet who simultaneously embodies the righteous people of God and thereby by his ongoing life ensures a remnant's survival and restoration

Changing Perspectives 1 John Van Seters, 2014-10-03 The volume brings together forty years of agenda setting scholarship in Israelite and Judean history The historical essays gathered here were among the first to raise serious questions about the patriarchal age the exodus from Egypt and the conquest of Canaan and the temple of Solomon The literary essays on the Pentateuch challenged both the classical Documentary Hypothesis and the more recent modifications that support the notion of an extensive Deuteronomistic redaction of the Pentateuch The final set of essays examines biblical notions of patriarchal religion myths of human origin and the legendary origins of Passover within a broad comparative context

Proverbs 1-9 as an Introduction to the Book of Proverbs Arthur Jan Keefer, 2020-05-28 Proverbs 1:9 has long been called a prologue and introduction to the book of Proverbs a label that this book clarifies by answering the question how does Proverbs 1:9 function with respect to the interpretation of Proverbs 10:31 Arthur Keefer argues that in the detail and holistic context of Proverbs Proverbs 1:9 functions didactically by supplying interpretive frameworks in literary rhetorical and theological contexts for representative portions of Proverbs 10:31 Keefer suggests that Proverbs 1:9 functions didactically by teaching interpretive skills and allows interpretation of Proverbs 10:31 by instilling the competence required to explicate this material As a result Proverbs 1:9 provides a didactic introduction for the remainder of the book particularly with respect to its character types educational goals and theology This volume demonstrates the function of Proverbs 1:9 for Proverbs 10:31 in some of the most prominent interpretive contexts of the book and in doing so advances current key interpretive debates within Proverbs scholarship

From Conquest to Coexistence Koert van Bekkum, 2011-01-11 Current research on ancient historiography concentrates on the relation between history and ideology while the archaeology of the Southern Levant is more and more viewed as a discipline of its own What happens when these new directions are applied to the historiography of Israel's settlement in Canaan This study offers a fresh analysis of scholarly debate a synchronic and diachronic reading of Joshua 9:1-13:7 and a critical evaluation of all the relevant archaeological evidence This leads to a new historical picture of the Late Bronze Iron Age transition in the Cisjordanian Southern Levant and to the fascinating conclusion that it was the ideology of the Israelite scribes reworking this episode that instigated them to explore their antiquarian intent

Writing and Reading the Scroll of Isaiah Craig C. Broyles, Craig A.
