Thomas Griffiths

Black And Green Black And Green:

Black and Green Brian Dooley, 1998 An excellent book Irish Voice New York Ties between political activists in Black America and Ireland span several centuries from the days of the slave trade to the close links between Frederick Douglass and Daniel O Connell and between Marcus Garvey and Eamon de Valera This timely book traces those historic links and examines how the struggle for black civil rights in America in the 1960s helped shape the campaign against discrimination in Northern Ireland The author includes interviews with key figures such as Angela Davis Bernadette McAliskey and Eamonn McCann

Black and Green Jamal Ali, 2012-07-10 Black and Green is a call to action for the Black community to join the green movement The book offers insights ideas and strategies that demonstrate how Black people can benefit from this movement and also fuel the go green effort Ali builds on the premise that the call to go green has not quite resonated in the Black community and discusses several reasons as to why Ultimately he offers tangible benefits that Black colleges churches and even cities should be eager to embrace These include better health neighborhood crime reduction and new jobs This book clearly broadens the go green discussion to include the Black community in a way that is both compelling and engaging
