Encyclopedia of Black Comics Sheena Howard, Christopher Priest, 2017-09-15 The Encyclopedia of Black Comics focuses on people of African descent who have published significant works in the United States or have worked across various aspects of the comics industry The book focuses on creators in the field of comics inkers illustrators artists writers editors Black comic historians Black comic convention creators website creators archivists and academics as well as individuals who may not fit into any category but have made notable achievements within and or across Black comic culture

Desegregating Comics Qiana Whitted, 2023-05-12 Some comics fans view the industry s Golden Age 1930s 1950s as a challenging time when it comes to representations of race an era when the few Black characters appeared as brutal savages devious witch doctors or unintelligible minstrels Yet the true portrait is more complex and reveals that even as caricatures predominated some Golden Age comics creators offered more progressive and nuanced depictions of Black people Desegregating Comics assembles a team of leading scholars to explore how debates about the representation of Blackness shaped both the production and reception of Golden Age comics Some essays showcase rare titles like Negro Romance and consider the formal innovations introduced by Black comics creators like Matt Baker and Alvin Hollingsworth while others examine the treatment of race in the work of such canonical cartoonists as George Herriman and Will Eisner The collection also investigates how Black fans read and loved comics but implored publishers to stop including hurtful stereotypes As this book shows Golden Age comics artists writers editors distributors and readers engaged in heated negotiations over how Blackness should be portrayed and

the outcomes of those debates continue to shape popular culture today Representations of Black Womanhood on Television Kandace L. Harris,Shauntae Brown White,2019-07-01 Being Mara Brock Akil *Representations of Black Womanhood on Television* examines the body of work of Mara Brock Akil the showrunner who produced *Girlfriends* *The Game* *Being Mary Jane* and *Love Is*__ The contributions to this volume are theoretically anchored in Patricia Hill Collins's Black Feminist Thought with a focus on how Brock Akil's shows intentionally address Black humanity and specifically provide context for Black women's lived experiences and empathy for Black womanhood by featuring woman centered characters with flaws strength and complexity Shauntae Brown White and Kandace L Harris have compiled a volume that analyzes themes that define Black womanhood and examines audience reception of and social media interaction with Brock Akil's work *The New Nancy* Jeff Karnicky,2023-09 *The New Nancy* explores how Olivia Jaimes's 2018 reboot of the legacy comic strip exemplifies the adaptability of contemporary flexible comics to serve divergent audiences from nostalgic fans who read the daily comics in newspapers to newer webcomic readers **The Ages of Iron Man** Joseph J. Darowski,2015-07-11 Billionaire industrialist cold warrior weapons designer alcoholic philanthropist Avenger Tony Stark alter ego of Marvel Comics Iron Man has played many roles in his five decades as a superhero From his 1963 comics debut in *Tales of Suspense* to the recent film adaptations *The Avengers* 2012 *Iron Man 3* 2013 hundreds of creators have had a hand in writing the character with evolving depictions and distinct artistic styles This collection of essays provides an historical overview of an important figure in American popular culture and a close reading of Iron Man's most iconic story lines including his origin in Vietnam *Demon in a Bottle* *Civil War* and *Extremis* The Routledge Handbook of Ethnicity and Race in Communication Bernadette Marie Calafell,Shinsuke Eguchi,2023-10-03 A much needed text that takes stock of issues of ethnicity and race in communication studies this book presents an overview of the most cutting edge research theory and methods in the subject and advocates for centering ethnicity and race in the communication studies discipline This handbook brings together a diverse group of both senior and up and coming scholars to offer original scholarship in race and ethnicity in communication studies emphasizing various analytical perspectives including but not limited to global transnational diasporic feminist queer trans and disability approaches While centering ethnicity and race contributors also take an intersectional perspective in their approach to their topics and chapters The book features examination of specific subfields like Whiteness studies Latina/o/x communication studies Asian Pacific American communication studies African American communication and culture and Middle East and North African communication studies The text is oriented to graduate students and researchers within communication studies as well as media studies cultural studies critical race and ethnic studies American studies sociology and education while still being accessible to upper level undergraduate students **Comics Studies Here and Now** Frederick Luis Aldama,2018-05-15 *Comics Studies Here and Now* marks the arrival of comics studies scholarship that no longer feels the need to justify itself within or against other fields of study The essays herein move us forward some in their

re diggings into comics history and others by analyzing comics and all its transmedial and fan fictional offshoots on its own terms Comics Studies stakes the flag of our arrival the arrival of comics studies as a full fledged discipline that today and tomorrow excavates examines discusses and analyzes all aspects that make up the resplendent planetary republic of comics This collection of scholarly essays is a testament to the fact that comic book studies have come into their own as an academic discipline simply and powerfully moving comic studies forward with their critical excavations and theoretical formulas based on the common sense understanding that comics add to the world as unique transformative cultural phenomena

The Routledge Companion to Superhero Studies Lorna Piatti-Farnell, Carl Wilson, 2025-10-29 This Companion explores the evolution representation and meaning of superheroes within the broader popular media and culture landscape as connected to both contemporary and historical frameworks The volume proposes itself as a comprehensive resource in the interdisciplinary field of Superhero Studies acknowledging it as its own area of scholarly and cultural interest Superhero Studies brings together perspectives from a number of intersecting disciplines such as comics studies film studies television studies fandom studies game studies and beyond In answer to the evolutionary portrayals of superheroes in our cultures histories and narratives The Routledge Companion of Superhero Studies addresses the development transformation and meaning of these iconic figures by taking a transnational multimedia and interdisciplinary approach to assessing their importance in our evolving representational contexts
