Black Glasses Like Clark Kent A Gis Secret From Postwar Japan

Terese Svoboda

Black Glasses Like Clark Kent A Gis Secret From Postwar Japan:

Black Glasses Like Clark Kent Terese Svoboda, 2012-02-14 After her Uncle's suicide Terese Svoboda investigates his stunning claim that MPs may have executed their own men during the occupation of Japan after World War II Our captain commended us for being good soldiers and doing our job well and having a minimum of problems Then he dropped a bomb He said the prison was getting overcrowded terribly overcrowded As a child Terese Svoboda thought of her uncle as Superman with Black Clark Kent glasses grapefruit sized biceps At eighty he could still boast a washboard stomach but in March 2004 he became seriously depressed Svoboda investigates his terrifying story of what happened during his time as an MP interviewing dozens of elderly ex GIs and visiting Japan to try to discover the truth In **Black Glasses Like Clark Kent** winner of the Graywolf Nonfiction Prize Svoboda offers a striking and carefully wrought personal account of an often painful search for information She intersperses excerpts of her uncle's recordings and letters to his wife with her own research and shows how the vagaries of military justice can allow the worst to happen and then be buried by time and protocol
