

Australia Israel A Diasporic Cultural And Political Relationship

Bernard Reich, David H. Goldberg

Australia Israel A Diasporic Cultural And Political Relationship:

Australia & Israel Shahar Burla, Dashiell Lawrence, 2015-06-01 Australia and the State of Israel have maintained a cordial if at times ambiguous relationship. The two countries are geographically isolated; strategic economic and cultural interests lie increasingly with Asia for one and with the US and the EU for the other. But for all that divides the two states, there is also much they share. Australia played an important role in the Jewish state's establishment in 1948 and is home to the most Zionist centered Jewish diaspora globally. Jewishness for most Australian Jews has been shaped and defined by engagement with and support for Israel. At the heart of this engagement is a small but thriving Israeli community within the larger multicultural Australia. Australia and Israel: A Diasporic Cultural and Political relationship draws attention to the important historical and contemporary nexus between this diaspora and its imagined homeland. The collection also considers the ways in which these two states mobilise national myths and share environmental challenges. In recent time, relations between the two states have been tested by the illegal use of Australian passports in 2010, the mysterious death of dual national Ben Zygier, and growing disquiet within the ranks of the Australian Labor Party and the Australian Greens over Israel's handling of the Israel-Palestinian conflict. One prominent world-wide issue is the Palestinian BDS Boycotts, Divestments and Sanctions movement, which has attracted sympathy and support that has brought about substantive differences of opinion regarding its legitimacy within the Jewish Australian community. These issues demonstrate the multifaceted and complex picture of two very different nations that nevertheless share an abiding connection. **Political Marketing and Public Diplomacy by Pro-Israel and Pro-Palestinian Advocacy Groups** Andrew Lim, 2022-10-29 This book looks at how both advocacy groups in New Zealand and Australia use political marketing to conduct advocacy and support Israeli and Palestinian public diplomacy and nation branding. The focus lies on their marketing orientation, segmentation, targeting, positioning, STP, and internal marketing practices. The theoretical framework will draw upon several political marketing frameworks and concepts, including the product-sales market oriented framework, the STP process, and Pettit's internal stakeholder marketing approaches. The book examines four case studies: 1. the Palestine Solidarity Network Aotearoa PSNA, 2. the Israel Institute of New Zealand IINZ, 3. the Australia-Israel Jewish Affairs Council AIJAC, and 4. the Australia-Palestine Advocacy Network APAN. To ensure balance and comparison, four groups representing both the pro-Israel and pro-Palestinian camps in NZ and Australia were selected. Other criteria included their broad scope of activity, approachability, and accessibility, as well as connections to state actors through advocacy, public diplomacy, and nation branding. *Boycotting Israel is Wrong* Philip Mendes, Nick Dyrenfurth, 2015-05-01 This is the first progressive book to argue that the BDS movement, boycott, divestment, and sanctions against Israel, is the wrong way to broker peace in the Israeli-Palestinian conflict. Rather, it argues that peace will come only when both Israelis and Palestinians' legitimate claims to statehood are recognised by both sides. The BDS movement, boycott, divestment, sanctions against Israel, has gained traction.

and publicity worldwide for a decade Yet here Philip Mendes and Nick Dyrenfurth two politically progressive commentators argue that BDS is far too blunt an instrument to use in such a complex political situation Instead they critically analyse the key arguments for and against BDS and propose a solution that supports Israel's existence and Palestinian rights to a homeland urging mutual compromise and concessions from both sides

Jewish Identity in Multicultural Australia Jennifer Creese, 2023-08-14 This book offers a timely insight into ideas of belonging in multicultural society from a Jewish perspective one which is largely missing from the discourse on multiculturalism There is a current climate in Australia as there is in the United States Europe and elsewhere of rising tensions around migration religious freedom and far right extremism These tensions have been fanned the Israeli Palestine conflict coming under increased international scrutiny in recent months Understanding how Jewish communities attempt to build and guide an understanding of what Jewishness means in contemporary multicultural societies is crucial for supporting the right to safety in diversity not only for Jews but for multiple minority groups In delivering such understanding this book has insights not only in an Australian but a broader international context This book explores how various facets of Jewish life are experienced and expressed in Australia drawing on rich ethnographic and archival research conducted within the mid sized Jewish community in South East Queensland Australia which has never before been examined *Jewish Identity in Multicultural Australia* explores how Jewish identity is manifested and experienced across a wide range of facets religion and religiosity ethnicity and ethnonational identity history and memory antisemitism and racism Zionism and diasporic identity and family and kinship Across these key themes the book builds on a core argument that contemporary Jewish communities work in certain set ways and promote certain set norms within a framework of state multiculturalism to forge a safe supported place for Jewish life practice and identity of all shapes and sizes

Property, Place and Piracy Martin Fredriksson, James Arvanitakis, 2017-10-12 This book takes the concept of piracy as a starting point to discuss the instability of property as a social construction and how this is spatially situated Piracy is understood as acts and practices that emerge in zones where the construction and definition of property is ambiguous Media piracy is a frequently used example where file sharers and copyright holders argue whether culture and information is a common resource to be freely shared or property to be protected This book highlights that this is not a dilemma unique to immaterial resources concepts such as property ownership and the rights of use are just as diffuse when it comes to spatial resources such as land water air or urban space By structuring the book around this heterogeneous understanding of piracy as an analytical perspective the editors and contributors advance a trans disciplinary and multi theoretical approach to place and property In doing so the book moves from theoretical discussions on commons and property to empirical cases concerning access to and appropriation of land natural and cultural resources The chapters cover areas such as maritime piracy the philosophical and legal foundations of property rights mining and land rights biopiracy and traditional knowledge indigenous rights colonization of space military expansionism and the enclosure of urban space This book is essential reading

for a variety of disciplines including indigenous studies cultural studies geography political economy law environmental studies and all readers concerned with piracy and the ambiguity of property *Historical Dictionary of Israel* Bernard Reich, David H. Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948 Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of *Historical Dictionary of Israel* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

Boundaries, Identity and belonging in Modern Judaism Maria Diemling, Larry Ray, 2015-09-07 The drawing of boundaries has always been a key part of the Jewish tradition and has served to maintain a distinctive Jewish identity At the same time these boundaries have consistently been subject to negotiation transgression and contestation The increasing fragmentation of Judaism into competing claims to membership from Orthodox adherence to secular identities has brought striking new dimensions to this complex interplay of boundaries and modes of identity and belonging in contemporary Judaism *Boundaries Identity and Belonging in Modern Judaism* addresses these new dimensions bringing together experts in the field to explore the various and fluid modes of expressing and defining Jewish identity in the modern world Its interdisciplinary scholarship opens new perspectives on the prominent questions challenging scholars in Jewish Studies Beyond simply being born Jewish observance of Judaism has become a lifestyle choice and active assertion Addressing the demographic changes brought by population mobility and marrying out as well as the complex relationships between Israel and the Diaspora this book reveals how these shifting boundaries play out in a global context where Orthodoxy meets innovative ways of defining and acquiring Jewish identity This book is essential reading for students and scholars of Jewish Studies as well as general Religious Studies and those interested in the sociology of belonging and identities **Language and Spirit** Robyn Moloney, Shenouda Mansour, 2022-11-07 This edited book explores stories of linguistic and spiritual identity in the urban and rural Australian landscape It is an innovative mix of thirty six personal narratives and eleven research studies which together offer accounts of the intersection of languages religion and spirituality in people's lives Teachers of Indigenous languages speak of the critical connection between language revitalization the spirituality of Country

and well being Both new and long established diaspora individuals speak of the often complex but vital joint role of language and faith in belonging and heritage The new dimension which the book brings to multilingualism is relevant to all complex global societies Language and Spirit is ideal for both the general reader interested in community languages and interfaith issues and academics in global intercultural studies and Applied Linguistics study wishing to gain a nuanced insight into the Language and Spirit intersection Memory and the Wars on Terror Jessica Gildersleeve, Richard Gehrmann, 2017-10-24

This edited collection aims to respond to dominant perspectives on twenty first century war by exploring how the events of 9 11 and the subsequent Wars on Terror are represented and remembered outside of the US framework Existing critical coverage ignores the meaning of these events for people nations and cultures apparently peripheral to them but which have as shown in this collection been extraordinarily affected by the social political and cultural changes these wars have wrought Adopting a literary and cultural history approach the book asks how these events resonate and continue to show effects in the rest of the world with a particular focus on Australia and Britain It argues that such reflections on the impact of the Wars on Terror help us to understand what global conflict means in a contemporary context as well as what its representative motifs might tell us about how nations like Australia and Britain perceive and construct their remembered identities on the world stage in the twenty first century In its close examination of films novels memoir visual artworks media and minority communities in the years since 2001 this collection looks at the global impacts of these events and the ways they have shaped and continue to shape Britain and Australia s relation to the rest of the world Diaspora Politics Gabriel

Sheffer, 2003-04-10 This book is intended to fill in a gap in the study of modern ethno national diasporas Thus against the background of current trends globalization democratization the weakening of the nation state and massive transstate migration it examines the politics of historical modern and incipient ethno national diasporas It argues that unlike the widely accepted view ethno national diasporism and diasporas do not constitute a recent phenomenon Rather this is a perennial phenomenon whose roots were in antiquity Some of the existing diasporas were created in antiquity some during the Middle Ages and some are modern An essential aspect of this phenomenon is the endless cultural social economic and especially political struggle of these dispersed ethnic groups that permanently reside in host countries away from their homelands to maintain their distinctive identities and connections with their homelands and other dispersed groups of the same nation While describing and analyzing the diaspora phenomenon the book sheds light on theoretical questions pertaining to current ethnicity and politics

Yeah, reviewing a books **Australia Israel A Diasporic Cultural And Political Relationship** could mount up your close contacts listings. This is just one of the solutions for you to be successful. As understood, triumph does not recommend that you have fantastic points.

Comprehending as with ease as treaty even more than extra will meet the expense of each success. next to, the declaration as competently as acuteness of this Australia Israel A Diasporic Cultural And Political Relationship can be taken as with ease as picked to act.

Australia Israel A Diasporic Cultural And Political Relationship Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Australia Israel A Diasporic Cultural And Political Relationship PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Australia Israel A Diasporic Cultural And Political Relationship PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Australia Israel A Diasporic Cultural And Political Relationship free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Australia Israel A Diasporic Cultural And Political Relationship Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Australia Israel A Diasporic Cultural And Political Relationship is one of the best book in our library for free trial. We provide copy of Australia Israel A Diasporic Cultural And Political Relationship in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Australia Israel A Diasporic Cultural And Political Relationship. Where to download Australia Israel A Diasporic Cultural And Political Relationship online for free? Are you looking for Australia Israel A Diasporic Cultural And Political Relationship PDF? This is definitely going to save you time and cash in something you should think about.
