Authority To Tread A Practical Guide For Strategic Level Spiritual Warfare:

Authority to Tread Rebecca Greenwood, 2005-01-01 Why does it seem that so many areas of the world including our own cities are gripped by darkness And how do intercessors begin to engage in high levels of warfare against the enemy In *Authority to Tread* Rebecca Greenwood takes the reader step by step into the spiritual combat zone where high ranking principalities and powers are assigned to geographical territories and social networks Through insightful teaching and personal illustration she shows how strategic level spiritual warfare equips God's army to plunder even the strongest camps of the enemy Intercessors prayer leaders and pastors and all who desire to see nations and peoples of the earth set free to hear the gospel will find this a vital tool for breakthrough and transformation *Spiritual Mapping in the United States and Argentina* René Holvast, 2009 Referring to U S Evangelicalism and Neo Pentecostalism this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping with special attention to theological and anthropological concepts The result is a facinating picture of modern Christian Americanism **Bloodline Deliverance** Mike and Andrea Brewer, **Understanding Spiritual Warfare** James K. Beilby, Paul Rhodes Eddy, 2012-12-01 The topic of spiritual warfare is an issue of ongoing interest in a number of sectors of the contemporary church This four view work brings together leading theologians and ministry leaders to present major views on spiritual warfare in dialogical fashion all authors present their views and then respond to each of the other views Contributors include Walter Wink with Gareth Higgins and Michael Hardin David Powlison Gregory Boyd C Peter Wagner and Rebecca Greenwood This volume provides a balanced irenic approach to a much discussed and often controversial topic Offering a model of critical thinking and respectful dialogue it highlights the differences between contributors discusses a full range of important topics on the subject and deploys biblical as well as theological arguments **American Possessions** Sean McCloud, 2015-04-21 Stories of contemporary exorcisms are largely met with ridicule or even hostility Sean McCloud argues however that there are important themes to consider within these narratives of seemingly well adjusted people who attend school go shopping watch movies and also happen to fight demons *American Possessions* examines Third Wave spiritual warfare a late twentieth early twenty first century movement of evangelicals focused on banishing demons from human bodies material objects land regions political parties and nation states While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape Drawing on interviews television shows documentaries websites and dozens of spiritual warfare handbooks McCloud examines Third Wave practices such as deliverance rituals a uniquely Protestant form of exorcism spiritual housekeeping the removal of demons from everyday objects and spiritual mapping searching for the demonic in the physical landscape Demons he shows are the central fact of life in the Third Wave imagination McCloud provides the first book length study of this influential movement highlighting the

important ways that it reflects and diverts from the larger neo liberal culture from which it originates **Breaking the Bonds of Evil** Rebecca Greenwood,2006-10-01 Deliverance is an immense need that even today is largely sidelined in the church The body of Christ needs more people trained in deliverance to carry out this vital life changing ministry Rebecca Greenwood offers a fresh look into deliverance but she doesn t stop at explaining what it is she examines the deliverance ministry of Jesus emphasizes the importance of team ministry and trains believers to confidently walk out their freedom Full of inspiring stories of breakthrough **Breaking the Bonds of Evil** will impart faith in the anointing that believers carry in deliverance ministry Pastors lay leaders and deliverance ministers alike will find this powerful book invaluable in their ministries and in small group studies **The Conqueror's Tread** Shandon L. Guthrie,2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror s Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more **Destined to Rule** Rebecca Greenwood,2007-10 Respected speaker and author Rebecca Greenwood encourages readers to claim their place in God s kingdom and equips them to carry out the dominion mandate that is still in effect **Battle Ready** A A Addo, PhD,2025-08-16 Are you tired of feeling defeated by the same temptations fears and spiritual attacks Discover how to move from spiritual survivor to victorious warrior with this comprehensive guide to biblical spiritual warfare In **Battle Ready Your Practical Guide to Spiritual Warfare** you ll learn how to recognize and defeat the enemy s schemes using the same strategies Jesus and the apostles demonstrated This isn t about seeing demons everywhere or becoming obsessed with darkness it s about understanding the real spiritual battles you face daily and winning them consistently What You ll Discover The Reality of Your Spiritual Enemy Understand Satan s nature tactics and limitations without fear or obsession Your God Given Spiritual Armor Learn to effectively use each piece of the armor of God for daily protection and victory Powerful Warfare Strategies Master biblical weapons including prayer fasting the Word of God and the blood of Jesus Authority Over Darkness Discover the authority Christ has given every believer and how to exercise it effectively **Breaking Strongholds** Identify and demolish
