Authority Anxiety And Canon Authority Anxiety And Canon:

Authority, Anxiety, and Canon Laurie L. Patton, 1994-07-01 Authority Anxiety and Canon elucidates a principle fundamental to Hinduism's self understanding the Veda while at the same time examining the methodological issues of the role of canon in religious tradition Spanning the early periods of Indian religious history up to the twentieth century the book combines theoretical sophistication and detailed scholarship to produce one of the first comprehensive works on Vedic interpretation since Louis Renou's *Le Destin Du Veda* **Authority, Anxiety, and Canon** Laurie L. Patton, 1995

Authority, Anxiety, and Canon Laurie L. Patton, 1994-07-01 Authority Anxiety and Canon elucidates a principle fundamental to Hinduism's self understanding the Veda while at the same time examining the methodological issues of the role of canon in religious tradition Spanning the early periods of Indian religious history up to the twentieth century the book combines theoretical sophistication and detailed scholarship to produce one of the first comprehensive works on Vedic interpretation since Louis Renou's *Le Destin Du Veda* *Text and Authority in the Older Upaniṣads* Signe Cohen, 2008-06-30 The Upaniṣads have often been treated as a unified corpus of religious and philosophical texts separate from the older Vedic tradition It is well known that the Upaniṣads were initially composed and transmitted within specific schools of Vedic recitation or *kh*'s but the *kh* affiliation of each Upaniṣad has received very little attention in the scholarly literature The author offers a new interpretation of the older Upaniṣads in the light of the Vedic school affiliations of each text This book argues that issues of textual authority and in particular the authority of the various Vedic schools are central in the Upaniṣads and that the Upaniṣads can on one level be read as texts about text While analyzing the theme of textual authority in the Upaniṣads the author also outlines a theory of textual criticism as applied to orally transmitted texts that will be of use to textual scholars in other fields as well *Texts of Power, the Power of the Text* Cezary Galewicz, 2006 *Bringing the Gods to Mind* Laurie L. Patton, 2005-06-27 This elegantly written book introduces a new perspective on Indic religious history by rethinking the role of mantra in Vedic ritual In *Bringing the Gods to Mind* Laurie Patton takes a new look at mantra as performed poetry and in five case studies draws a portrait of early Indian sacrifice that moves beyond the well worn categories of magic and magico religious thought in Vedic sacrifice Treating Vedic mantra as a sophisticated form of artistic composition she develops the idea of metonymy or associational thought as a major motivator for the use of mantra in sacrificial performance Filling a long standing gap in our understanding her book provides a history of the Indian interpretive imagination and a study of the mental creativity and hermeneutic sophistication of Vedic religion **Scripture and Knowledge** Biderman, 1995-11-01 At the core of Scripture and Knowledge lies the problem of the nature of religious knowledge The author argues that religion is a particular framework rather than a particular content or defined set of performances He sees this framework as epistemological that is as one that furnishes believers with a conception of knowledge alternative to that of philosophical reasoning The thesis on the epistemological nature of religion will be

developed by the examination of the concept of scripture as a body of authoritative and even infallible texts The concept of scripture is presented as one of the constitutive concepts of the epistemological framework of religion The author argues that the various scriptures and their commentaries should be understood as the arena within which the epistemological process of religion takes place and the central epistemological means by which religious knowledge is made possible **Gender and Narrative in the Mahabharata** Simon Brodbeck, Brian Black, 2007-08-09

The Sanskrit Mahabharata is one of the most important texts to emerge from the Indian cultural tradition At almost 75 000 verses it is the longest poem in the world and throughout Indian history it has been hugely influential in shaping gender and social norms In the context of ancient India it is the definitive cultural narrative in the construction of masculine feminine and alternative gender roles This book brings together many of the most respected scholars in the field of Mahabharata studies as well as some of its most promising young scholars By focusing specifically on gender constructions some of the most innovative aspects of the Mahabharata are highlighted Whilst taking account of feminist scholarship the contributors see the Mahabharata as providing an opportunity to frame discussion of gender in literature not just in terms of the socio historical roles of men and women Instead they analyze the text in terms of the wider poetic and philosophical possibilities thrown up by the semiotics of gendering Consequently the book bridges a gap in text critical methodology between the traditional philological approach and more recent trends in gender and literary theory **Gender and Narrative in the Mahabharata** will be appreciated by readers interested in South Asian studies Hinduism religious studies and gender studies Homer, the Bible, and Beyond

, 2021-12-28 As distinct from the extant studies of ancient canonical texts which focus either on literary Greco Roman or religious Judeo Christian canons the present volume aims at bridging between these two fields by proposing the first comparative study of canon An international team of experts discusses the processes of canon formation in societies of the ancient world addressing such issues as canon and the articulation of identity the hermeneutical attitude toward canonical texts textual fixity and openness oral and written canons methods of transmission and more Among the topics discussed are Mesopotamian canons Zoroastrianism the Bible Homer literary and philosophical canons in ancient Greece and Rome the New Testament the Roman law Rabbinic Judaism and Kabbalistic literature The future of the so called Western Canon is one of the most hotly debated issues of the day There is reason to believe that what is perceived today as a unique crisis can be put into perspective by students of ancient societies for the simple reason that the ancient world offers us the historical perspective of civilizations as a whole and allows us to study cultural phenomena in the longue dur e Contributors include Niek Veldhuis Steven Chapman Cristiano Grottanelli Shaul Shaked Margalit Finkelberg Hayden Pelliccia Hubert Cancik Amiel D Vardi Guy G Stroumsa Christoph Marksches Robert Lamberton Hagith Sivan David Stern Moshe Halbertal and Andrew Plaks *Cosmopolitan Political Thought* Farah Godrej, 2011-10-13 *Cosmopolitan Political Thought* asks the question of what it might mean for the very practices of political theorizing to be cosmopolitan It suggests that such a vision of

political theory is intimately linked to methodological questions about what is commonly called comparative political theory namely the turn beyond ideas and modes of inquiry determined by traditional Western scholarship It is therefore an argument for applying the idea of cosmopolitanism understood in a particular way to the discipline of political theory itself As Farah Godrej argues there are four crucial components of this cosmopolitan intervention the texts under analysis the methods for interpreting non Western texts and ideas the application of these ideas across geographical and cultural boundaries and the deconstruction of Eurocentrism In order to be genuinely cosmopolitan Godrej states political theorists must reflect on their perspectives inside and outside various traditions and immerse themselves in foreign ideas languages histories and cultures ultimately relocating themselves within their disciplinary homes The result will be a serious challenge to accepted solutions to political life

Uncover the mysteries within Crafted by is enigmatic creation, Discover the Intrigue in **Authority Anxiety And Canon Authority Anxiety And Canon** . Authority Anxiety And Canon Authority Anxiety And Canon Introduction

In the digital age, access to information has become easier than ever before. The ability to download Authority Anxiety And Canon Authority Anxiety And Canon has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Authority Anxiety And Canon Authority Anxiety And Canon has opened up a world of possibilities. Downloading Authority Anxiety And Canon Authority Anxiety And Canon provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Authority Anxiety And Canon Authority Anxiety And Canon has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Authority Anxiety And Canon Authority Anxiety And Canon. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Authority Anxiety And Canon Authority Anxiety And Canon. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Authority Anxiety And Canon Authority Anxiety And Canon, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Authority Anxiety And Canon Authority Anxiety And Canon has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
