**Parallel Lives** Angus Shoor Caan,2013-02-01 When two nine year old boys meet up for the first time there is no indication to the fact that very soon their lives will be inextricably linked forever The second meeting some two years later throws up the strange realisation that their recent histories bear quite strange similarities perhaps coincidences more like eerie parallels Enter Random an old vagrant gentleman of the road and soon to be friend mentor and benefactor Random imparts his knowledge of the wild and later employs an unusual medium for the purpose of keeping in touch Come and Share Skite and Skelps Parallel Lives      *Board Bill's Hot 100* Angus Shoor Caan,2015-11-25 For BOARD BILL S HOT 100 I ve taken the titles of 100 of my favourite songs and written a poem to them Most times the poem has little or nothing to do with the content or indeed sentiment of the song but in one or two instances I felt I had no choice Some songs have been either written or covered by other artists and I ve specified my own particular preference when stating which singer or band is my favourite Similarly many songs of the same name have been recorded over the years and again I ve referenced my particular choice I write novels that s what I like to do but I also use poetry as a mechanism for keeping my brain active tossing words and rhymes around with abandon and seeing how they land Hopefully it s butter side up There s a dual purpose to this collection The first is to get people to read my work and equally important to nudge them towards some fine tunes The title in case you hadn t already guessed is a play on the American Billboard Chart      *Army, Navy, Air Force Journal* ,1951
