Hope and Healing for Kids Who Cut Marv Penner, 2009-05-26 You may have noticed them the kids who are hiding their pain under long sleeves or wristbands Or you might never notice them the ones who seem to have life together except for the deep secret that they keep hidden beneath their clothes This is no longer a fringe issue that occurs only in the most extreme cases The truth is that many teens today are dealing with their emotional pain by inflicting physical pain upon themselves whether we can see it on the surface or not While we may never fully understand the motives behind self mutilation and cutting we can begin to understand why some teens cut and more importantly we can learn how to help

Hope and Healing for Kids Who Cut will take you into the world of self injury defining what it is and what it is not You ll hear stories from teens and young adults who struggle with the urge to hurt themselves and you ll learn to recognize the signs of self injury In addition counselor and professor Marv Penner will help you understand the cycle of addiction that has become everyday life for so many hurting teens and he ll give you the tools and wisdom to help a self injurer find hope and healing Whether you know someone who is cutting or you are struggling with this addiction yourself *Hope and Healing for Kids Who Cut* is something you want to have in your first aid kit

Cutting and Self-Harm Chris Simpson Ph.D., 2015-09-29 What is self harm and what causes it Learn the terms and concepts related to this type of behavior Non suicidal self injury has been in existence to some extent for centuries Today the practices are increasing in terms of the number of people engaging in this often baffling behavior By the use of accessible language rich descriptions of concepts and realistic case examples *Cutting and Self Harm* seeks to demystify these behaviors that afflict self injuring individuals and negatively impact their family members and friends Author Chris Simpson PhD has written and presented on the subject of self harm since 2001 He begins the book by answering the question What is cutting and self harm and how does it occur and by explaining important

terms and concepts related to the behavior He then covers current controversies about self harming behaviors and addresses frequently confusing topics such as the contributing factors to self injury psychopharmacological treatment of the behavior and the use of group therapeutic approaches in treatment facilities The final section of the book presents additional resources for those impacted by self injury

Adolescent Self-Injury Amelio D'Onofrio,2007-03-15 In this truly comprehensive guide Dr D Onofrio approaches the topic of how first responders such as teachers coaches social workers guidance counselors and campus health counselors can and do treat adolescent self injury From examinations of the core social and emotional issues related to self injury to the integration of understanding with practice everything needed for comprehensive care is detailed in this volume Each part of the book focuses on a basic topic such as what constitutes self injury the foundations for self injury and how to engage an adolescent with these issues Each issue is presented in straightforward chapters that are immediately accessible to those who are currently struggling to address this growing trend among teens The chapters within each part delve into how to recognize treat and approach this illness and incorporate first person stories from psychologists teachers and adolescents themselves
