This helps unclog your pores, slough off dull skin, balance sebum production, and even out your complexion. Importantly, exfoliation keeps the skin healthy, young-looking, and more glowing. The good news is that you don't have to purchase expensive exfoliators and masks to have beautiful skin. You can easily make your own scrubs with the use of different items that are found in your home and garden. By creating your own skincare product, you can be sure that the ingredients are not just effective but safe and natural too. Try making these body scrubs and facial masks today. [Organic body scrub recipes](#) Pamela Godson, 2014-12-18 Live healthy. Replenish your life. Exfoliate. You need this book. It contains over 77 body and facial scrub recipes from natural and simple everyday ingredients around us. No matter how dull, lifeless, and prematurely aged your skin is, a regularly exfoliated skin will reveal a glow that will boost your confidence. From sugar to coffee grounds, oatmeal, and avocados, the several categories in this book make the possibilities for a healthy skin really endless. Those acne, blackheads, wrinkles, fine lines, and sun damage will be effectively dealt with. The inclusion of essential oil to some of the soothing recipes enhances its therapeutic effect, leaving you with a vibrant, youthful, and radiant skin. Also, all the recipes are made from natural ingredients, so it's goodbye to chemically laden store-bought products which eventually worsen the condition of our skin. Again, exfoliation is a necessity, and this book makes it so easy. Exfoliating with these body scrub recipes will remove excess oil, increase blood circulation, reduce cellulite, and allow new cells to regenerate. And that's not all; they will do a whole lot more if you just take time to read the several benefits as well as other wealth of information contained in this delightful little book.
