Crisis Management William Crandall, John A. Parnell, John E. Spillan, 2013-03-20 Offering a strategic orientation to crisis management this fully updated edition of Crandall Parnell and Spillan's *Crisis Management* helps readers understand the importance of planning for crises within the wider framework of an organization's regular strategic management process This strikingly engaging and easy to follow text focuses on a four stage crisis management framework 1 Landscape Survey identifying potential crisis vulnerabilities 2 Strategic Planning organizing the crisis management team and writing the plan 3 Crisis Management addressing the crisis when it occurs and 4 Organizational Learning applying lessons from crises so they will be prevented or mitigated in the future The second edition emphasizes the importance of managing both the internal landscape those stakeholders within the organization such as the employees owners and management and the external landscape those stakeholders outside of the organization such as the media customers suppliers general public government agencies and special interest groups

Sustainability and Management Kıymet Çalıyurt, Ülkü Yüksel, 2017-07-14 In the wake of the 1987 Brundtland Report sustainable development has become key to the management systems within businesses and a means by which companies can increase their long term value Being a sustainable company increasingly means staying alive in business and has become a necessity for all kinds of enterprises from the micro sized to global corporations In more recent years many companies and indeed governments have looked at sustainability as a means to combat the multiple challenges of environmental accidents global warming resource depletion energy poverty and pollution However being sustainable or maintaining sustainability is not an easy task for a company's management function It needs continuous support and engagement from the board the executive management staff and other stakeholders alike Additionally it brings extra costs to the company in terms of hiring trained staff organising continuous training in the company publishing sustainability reports and subscribing to a rating system Sustainability must be nourished by a company's board as well as by all of its departments

such as accounting marketing and human resources By the same token it is not enough for a company simply to declare itself a sustainable business or rely on past measures and reputation sustainability is an ongoing activity and one which has to be proved by periodically disclosing sustainability reports according to international rating systems In Sustainability and Management An International Perspective K ymet al yurt and lk Y ksel bring together international authors from a variety of specialisations to discuss the development aspects problems roadmap trends and disclosure systems for sustainability in management The result is a lively insightful exposition of the field **Subject Guide to Books in Print** ,1997

Forthcoming Books Rose Arny,2004 **Strategic Corporate Social Responsibility in Malaysia** Rusnah Muhamad,Noor Akma Mohd Salleh,2019-01-14 To fully comprehend corporate social responsibility CSR corporations must understand the many sided nature of CSR This book provides insight into the theoretical foundation beliefs and expectations of the multiple stakeholders the governance of CSR commitment and corporations strategies associated with the design development implementation and communication strategies for CSR through the case study on Malaysia The book also explains why corporations should pursue a dual economic and social function and why it being critical to an organisation s success It also describes the CSR trends and influences such as sustainability and globalisation on the future of CSR
