Working Abroad with Purpose Glenn D. Deckert,2019-03-05 The wise King Solomon gives us this proverb Do you see a man skilled in his work He will serve before kings Prov 22 29 This book won t ensure that you and your professional skills end up meeting kings but it will show how you and your training can be planted among unreached people abroad By taking a job in your field of expertise you gain far more than a paycheck rather a network of relationships with colleagues and neighbors In doing so you will learn that you are in good company with the Apostle Paul and thousands of other tentmakers in church history Deckert draws on his tentmaking experience with his wife and children spanning twenty years and six countries Readers will learn of a biology professor colleague in the Middle East who on hearing the gospel over lunch replied That s different That s wonderful No one ever taught me that before In another country a nationally ranked chess player after reading the Gospels was moved to tears saying He died for me I m a sinner This book takes you through twelve key areas of tentmaking from finding a job to retirement

Foundations for Fruitful Church Planting Ken L. Davis,2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises

Mission in the Way of Daniel Edward L. Smither,2022-09-13 Mission in the Marketplace What can the prophet Daniel teach us about serving in God s mission Daniel was not a priest or official religious leader he was a forcibly displaced Israelite who became a public

administrator in the Babylonian and Persian empires While he may serve as an example of an admirable work ethic often finding favor and recognition with political leaders he is also a prime example of a bold and godly individual willing to be a witness in his sphere of influence Though his boldness resulted in suffering he consistently experienced and demonstrated God's power in his witness This same boldness is needed today While many books and Bible studies explore the work ethic and character of Daniel Ed Smither takes those discussions to a new level illustrating why each of Daniel's qualities and skills is a necessary component of mission today Mission in the Way of Daniel probes mission theology and practice in the Old Testament exploring the well known story of Daniel through the lenses of mission history and mission practice Providing relevant application for contemporary issues like diaspora power encounters and divine favor in mission the themes in Mission in the Way of Daniel advance the ongoing conversation about how to do mission For mission practitioners tentmakers and all Christians this book shows us how God can use us where we are in life and work

Urgent Business

Thomson, Ian, Bates, Dominic, 2022-02-22 Getting business on board is essential if we want to achieve the United Nations goal of building a better future for people and planet by 2030 But much of the sustainable business agenda falls woefully short of what is needed with some practices even accelerating the problems they're trying to solve In Urgent Business Ian Thomson and Dominic Bates a business school professor and a former journalist combine their expert insight to challenge five common myths that trap businesses in an unsustainable black hole and offer a manifesto for change Combining cutting edge research from AI and systems theory to climate science and behavioural economics with fascinating real world examples the authors highlight the practical and holistic steps all businesses can take to play their part in addressing the UN Sustainable Development Goals
