another Adaptation then names not only the means by which texts are transformed but also the space in which that transformation takes place T *Australian Film* Brian Reis,1997 Contains entries many with descriptive annotations on books book chapters periodical articles government reports academic theses films videos and audio recordings published in Australia and elsewhere from 1988 to the early and mid 1990s Works cited embrace all aspects of Australian film considered as art industry and sociological phenomenon except extremely technical aspects of filmmaking Categories include film archives and libraries production super 8mm film government and film history and criticism ethnographic film biographies and film criticism and reviews Includes author book title and film title indices Distributed by Books International Annotation copyrighted by Book News Inc Portland OR [Australian national bibliography](#) ,1961 **A Study Guide for Jonathan Larson's "Rent" (lit-to-film)** Gale, Cengage Learning, A Study Guide for Jonathan Larson s Rent lit to film excerpted from Gale s acclaimed Drama for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama for Students for all of your research needs [Identity and Justice](#) Debbie Rodan,2004 Debbie Rodan adds breadth and depth to the field of literary cultural and gender studies through a meticulous investigation of notions such as re presentation justice and legitimation She examines their historical and philosophical trajectories as well as their politico juridical underpinnings through an ambitious and timely recuperation of the Enlightenment projects of rationality and emancipation The point of departure is a critical engagement with the theoretical work of John Rawls Jürgen Habermas and Jean François Lyotard Rodan claims each can be read as foregrounding diverse ways of constituting identity within the social world Recognition of other people s identity at the social cultural and national level is crucial to the possibility of justice Rodan tests the concepts of justice legitimation and identity through detailed critical readings analyses of a range of texts The range includes the film East is East a number of auto biographical narratives as well as the Australian government report Bringing Them Home which is concerned with the removal of Aboriginal children from their families She avoids polarising Aboriginal non Aboriginal notions of justice identity etc by including texts which raise and problematise questions of ethnicity and gender [Resources in Education](#) ,2001 [The Essential Guide to Doing Your Research Project](#) Zina O'Leary,2017-03-20 Lecturers request your electronic inspection copy here The ultimate companion to successfully completing your research project the author guides you through a step by step approach to research and provides all of the skills and momentum you need to excel Each stage of a project is clearly set out with best practice highlighted alongside pragmatic advice for tackling research in the real world The Third Edition uses multidisciplinary case studies and examples from the author s own experience to answer your questions and support your progress as you move smoothly through each stage With a new chapter on mixed methods approaches more on disseminating research more on the practical and legal implications of ethics and more international examples the book is packed full of learning features and tools to support your journey including A
