

AUTHOR of HELL

A BOOK OF RADICAL CHRISTIAN POETRY

A dramatic, fiery illustration. In the upper center, a large, glowing face with a wide, open mouth, appearing to scream or shout, is set against a dark, smoky background. Below this, a landscape is engulfed in intense orange and yellow flames. Several small, dark figures are scattered across this burning ground, some appearing to be in motion. In the upper right corner, a winged figure, possibly an angel or demon, is depicted in flight, holding a glowing object. The overall scene conveys a sense of divine judgment, hellfire, or intense spiritual conflict.

Richard Justice, 2015-12 **Critical Survey of Poetry: Authors Chau-Dur** Frank Northen Magill, 1982 Poets, Players, and Preachers Anne James, 2016-01-01 On the night of November 4th 1605 the English authorities uncovered an alleged plot by a group of discontented Catholics to blow up the Houses of Parliament with the lords princes queen and king in attendance The failure of the plot is celebrated to this day and is known as Guy Fawkes Day In Poets Players and Preachers Anne James explores the literary responses to the discovery of the Gunpowder Plot in poetry drama and sermons This book is the first full length study of the literary repercussions of the conspiracy By analyzing the genres of poems plays and sermons produced between 1605 and 1688 the author argues that not only did the continuous reinterpretation of the conspiracy serve religious and political purposes but that such literary reinterpretations produced generic changes **A Companion to Milton** Thomas N. Corns, 2008-04-15 The diverse and controversial world of contemporary Milton studies is brought alive in this stimulating Companion Winner of the Milton Society of America s Irene Samuels Book Award in 2002 Invites readers to explore and enjoy Milton s rich and fascinating work Comprises 29 fresh and powerful readings of Milton s texts and the contexts in which they were created each written by a leading scholar Looks at literary production and cultural ideologies issues of politics gender and religion individual Milton texts other relevant contemporary texts and responses to Milton over time Devotes a whole chapter to each major poem and four to Paradise Lost Conveys the excitement of recent developments in the field **Persona and Decorum in Milton's Prose** Reuben Sánchez, 1997 Sanchez traces the movement in Milton s thought and self presentation from dependence on public covenant to revaluation of public covenant as dependent on private covenant Milton and Religious Controversy John N. King, 2000-06-22 Religious satire and polemic constitute an elusive presence in Paradise Lost John N King shows how Milton s poem takes on new meaning when understood as part of a strategy of protest against ecclesiastical formalism and clericalism The experience of Adam and Eve before the Fall recalls many Puritan devotional habits After the Fall they are prone to idolatrous ritual and ceremony that anticipate the religious error of Milton s own age Vituperative sermons broadsides and pamphlets notably Milton s own tracts afford a valuable context for recovering the poem s engagement with the violent history of the Civil Wars Commonwealth and Restoration while contemporary visual satires help to clarify Miltonic practice Eighteenth century critics who attacked breaches of decorum and sublimity in Paradise Lost alternately deplored and ignored a literary and polemical tradition deployed by Milton s contemporaries This important study first published in 2000 sheds light on Milton s epic and its literary and religious contexts Elle and the Ghost Author and Short Stories and Poems Cameron Glenn, 2009-07-14 Elle is a teen girl struggling from the recent death of her mother She discovers writings in an attic and forms a relationship with the author now a ghost Also included are short stories and poems **The Bible and Literature: The Basics** Norman W. Mayakovsky,2013-06-30 James McGavran s new translation of Vladimir Mayakovsky s poetry is the first to fully capture the Futurist and Soviet agitprop artist s voice Because of his work as a propagandist for the Soviet regime and because of his posthumous enshrinement by Stalin as the best and most talented poet of our Soviet epoch Mayakovsky has most often been interpreted and translated within a political context McGavran s translations reveal a more nuanced poet who possessed a passion for word creation and linguistic manipulation Mayakovsky s bombastic metaphors and formal lan shine through in these translations and McGavran s commentary provides vital information on Mayakovsky illuminating the poet s many references to the Russian literary canon his contemporaries in art and culture and Soviet figures and policies *The Writer and the Cross* Darren J.N. Middleton,2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction
