Authority in the Church John L. McKenzie, 2009-03-01 The question of authority has always been a lively issue within the Roman Catholic Church While some have warned against the danger of democratizing the Church others have warned against applying too narrowly the monarchical model which has been dominant in past centuries Father McKenzie's thesis is that these political paradigms simply do not apply to the Church The Christian community he points out is a unique society and hence its understanding and use of authority must also be unique McKenzie shows how Christian authority is unique by illuminating the understanding of authority that Jesus gave to the society which He founded After a brilliant exposition of authority in the New Testament the author traces how the Church has lost sight of these unique aspects with a consequent erosion of both Christian authority and Christian freedom *American Theological Inquiry, Volume Three, Issue One*

Gannon Murphy, 2010-01-15 *American Theological Inquiry* ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ's power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically attentive will want to check out *American Theological Inquiry* Richard John Neuhaus 1936 2009 *First Things* **Catholic World**, 1967 Andrew M. Jack Rogers, Donald K. McKim, 1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy *Crossing Swords* Roderic Ai Camp, 1997-01-09 Based on a decade of field research this work is the first book length scholarly examination in English of the role of Catholicism in Mexican society since the 1970s through 1995 and the increasing political activism of the Catholic church and clergy It is also the first analysis of church state relations in Latin America that incorporates detailed interviews of numerous bishops

and clergy and leading politicians about how they see each other and how religion influences their values It is also the first analysis of the Mexican Catholic Church which uses national survey research to examine Mexican attitudes toward religion Christianity and Catholicism and provides the first inside look at the decision making process of bishops at the diocesan level

Science, Reason, and Faith Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In *Science Reason and Faith* Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader's attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God
