Blue Bottle Coffee :

The Blue Bottle Craft of Coffee James Freeman, Caitlin Freeman, Tara Duggan, 2012-10-09 One of the country's most celebrated roasters explains how to choose, brew, and enjoy the new breed of artisan coffees at home along with 40 inventive recipes that incorporate coffee or taste good with a cup. Blue Bottle Coffee Company has quickly become one of America's most celebrated roasters. Famous for its complex and flavorful coffees, Blue Bottle delights its devoted patrons with exquisite pour-overs, delicious espressos, and specialized brewing methods. Yet as coffee production becomes more sophisticated with specialized extraction techniques and Japanese coffee gadgets, the new artisan coffees can seem out of reach. The Blue Bottle Craft of Coffee explains this new world from farm to cup, exploring the bounty of beans available and the intricate steps that go into sourcing raw coffee from around the globe. Blue Bottle founder James Freeman coaches you through brewing the perfect cup of coffee using methods as diverse as French press, nel drip, siphon, and more to produce the best flavor. For coffee lovers who want to roll up their sleeves and go deeper, Freeman explains step by step how to roast beans at home using standard kitchen tools just like he did when starting out. The Blue Bottle Craft of Coffee also introduces a home technique for cupping, the industry method of tasting coffees for quality control, so you can hone your taste and share your meticulously roasted coffee with friends. Rounding out the book are more than thirty inventive recipes from Blue Bottle pastry chef and former Miette bakery owner Caitlin Freeman that incorporate coffee or just taste particularly good with coffee, such as Saffron Vanilla Snickerdoodles, Stout Coffee Cake with Pecan Caraway, Streusel Affogato with Smoky Almond Ice Cream, Coffee Panna Cotta, and more. With more than one hundred stunning photographs showing coffee's journey from just harvested cherry to perfect drink, this distinctive and deep guide to the new breed of amazing coffees from one of the top artisan coffee makers will change the way you think about and drink coffee. **B. Eunsung Park, Narae Kim, Jaewoo Seo, 2019**

A global byword for specialty coffee, Blue Bottle Coffee was established by the clarinet player turned coffee guru James Freeman in 2002. Freeman established firm footing for the brand's distinct coffee culture based on his experience selling drip coffee from a cart at farmers markets. His secret is to focus entirely on the delicate nuances of coffee beans and hospitality-based individualized service. Somewhat of a unicorn in the coffee world, Blue Bottle Coffee has attracted significant investments from Silicon Valley and has steadily expanded across the US with far-flung locations in Tokyo and Seoul. **Page 4 of cover**

Coffee Culture Robert Schneider, The Images Publishing Group, 2016-03-29 Coffee Culture: hot coffee, cool spaces is a full-color presentation of coffee shops crafting great coffee in interesting spaces with good design aesthetics. The author has selected thirty-three coffee shops located in cities across the United States, including Ann Arbor, Chicago, Denver, Los Angeles, Minneapolis, New York, Oakland, Philadelphia, Portland, San Francisco, Santa Cruz, and Seattle. Photography by an eclectic group of photographers captures the feel and personality of each coffee shop. The concept of space is often extended from the shop interior to the neighborhood, interweaving coffee, art, architecture, design, and historic preservation. The book

showcases coffee shops located in historic buildings modern architecture an art museum an arcade a courtyard a former loading dock and even a reclaimed cargo shipping container but the common thread is an appreciation for great coffee in spaces that invite human interaction and create memories through good design Lonely Planet's Global Coffee Tour Lonely Planet,2018-05-01 Packed with over 150 amazing coffee experiences in 37 countries from its birthplace in East Africa to modern day Cuba the United States Australia and the UK this follow up to our hugely popular Global Beer Tour features legendary espresso bars plantation tours urban roasteries and must visit cafes Inside this definitive guide to coffee tasting around the world you ll discover exactly where to go and what to try plus illustrated spreads on roasting coffee cocktails brewing techniques and more The places you ll learn about in Lonely Planet s Global Coffee Tour and visit aren t just cafes they re meccas for coffee lovers offering insight into the local culture and the history personalities passion and creativity behind each coffee Discover each country s top five must drink coffees Learn how to order a coffee in the local language Explore each area with our itinerary of local things to do Find coffee classes and learn about roasting and brewing Packed with photos of coffee houses the world over About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and grown a dedicated passionate global community of travellers You ll also find our content online on mobile video and in 14 languages 12 international magazines armchair and lifestyle books ebooks and more Important Notice The digital edition of this book may not contain all of the images found in the physical edition **Small Business Marketing Strategies All-in-One For Dummies** ,2016-05-06 Transform your small business into a revenue generating machine with this step by step marketing resource Running a small business is a fun and rewarding experience It s even more fun and rewarding when clients and customers are clamoring to get a hand on your latest product or service And effective marketing is the key to making that happen In Small Business Marketing Strategies All in One For Dummies small business experts from the United States Chamber of Commerce walk you through every single step of designing launching running measuring and improving your company s next marketing campaign But don t worry with Dummies it s all about learning made easy You ll discover techniques that work in any kind of small business from full time trades to brick and mortar shops and online side hustles Starting at the beginning of the marketing process you ll move on to learn how to blend different marketing methods such as content social search and traditional to generate massive customer interest In this book you will Pour the foundation of your marketing strategy by defining your ideal customers sizing up your market and setting your goals Kick off a successful campaign the right way by picking the best software platforms and techniques to power your marketing Combine content marketing social media and traditional strategies to generate the perfect marketing and advertising mix Evolve past gut instincts and measure your results with hard data and reliable metrics Moving beyond individual strategies and techniques Small Business Marketing
