Blue Moon Investigations: Case File 4-6
Steve Higgs, 2019-10-25 The paranormal It s all nonsense but proving might just get them killed Delve into a world where supernatural crimes are investigated by two detectives standing alone to protect those that call on them In the brooding dark landscape of England with its rolling hills and forgotten castles the dark breeds evil in every shadow Or stupid some of them definitely just contain stupid With millions of pages read and thousands of books sold the Blue Moon paranormal investigation series will grip you from the start and rob you of sleep as you continue turning pages until well after your bedtime It is action packed but funny fast paced yet intriguing and there are 15 stories already written Get the second 3 excitement filled stories in this omnibus edition and save a pile against buying them individually The Klowns of Kent Before the dust settles following a zombie outbreak a plague of evil clowns descends on the towns and villages of Kent bringing havoc and crime When petty theft escalates to murder Tempest knows he must get involved but they come looking for him first What is their motive Are they from hell To find out he ll have to follow them into their trap and fight his way out Dead Pirates of Cawsand A ghost ship has been spotted off the coast of a quiet Cornish village where gold coins were recently found Now skeletal pirates are wandering the streets hiding in the mist to strike fear into the local community because they want their gold back But they didn t count on England s best paranormal P I turning up His well earned break soon goes

sideways as murder kidnap and ghost hunters ruin his vacation and threaten more than just his life In the Doodoo with Voodoo A client cursed by a voodoo priest is the start of a case that will push Amanda to her very limits With Tempest away in Cornwall Amanda has no back up but she wants to do this for herself even though the priest is a scary character However when BFF Patience goes missing it s a race against time to solve the case before someone dies and she is about to find out just how badly she underestimated her suspect Praise for the Blue Moon Investigation series and Steve Higgs Be prepared to struggle with getting anything else done as you will want to keep reading Supernatural overtones with a hint of sexual tension interspersed with humor make this a fantastic book Truly delightful tales of mystery and misadventure Higgs is a wonderful author with great character development which includes an enticing cast of misfits A great crime comedy with a group of zany characters I really enjoyed the book and look forward to the next one Highly recommended Higgs makes everything and everyone come alive
