Autobiography Of An Assassin The Family:

The Secret Life of An Assassin DeiAdra NiCole,2023-04-26 The Secret Life of an Assassin is a fictitious story about a family of assassins The El Poep family is a magnet for trouble as they are frequently met with adversity The family struggles to keep their identity as mobsters concealed They make every effort to live their lives like an ordinary family The problem lies in the fact that they aren't sure what is considered ordinary They have only known life as assassins They are frequently reminded that they are anything except ordinary *Life in a Jewish Family: An Autobiography, 1891-1916 (The Collected Works of Edith Stein, vol. 1)* Edith Stein (Teresa Benedicta of the Cross),2017-11-24 This initial volume of the Collected Works of Edith Stein offers for the first time in English the unabridged biography of Edith Stein Teresa Benedicta of the Cross depicting her life as a child and young adult Her text ends abruptly because the Nazi SS arrested then deported her to the Auschwitz concentration camp in 1942 The ebook version contains a fully linked Index Map and List of Places Edith Stein is one of the most significant German Jewish women of the 20th century At the age of twenty five she became the first assistant to Edmund Husserl the founder of Phenomenology She was much in demand as a writer and lecturer after her conversion from atheism to Catholicism Later as a Discalced Carmelite nun she maintained her intellectual pursuits until she like so many others became a victim of the Nazi persecution that raged across Eastern Europe By making this landmark work available in English the Institute of Carmelite Studies provides an eye witness account of persons and activities on the scene at the time when psychology and philosophy became separate disciplines In addition to photographs and a map this volume is enhanced with a preface the foreword and afterword notes and a list of places associated with Edith Stein's life It is our aim that these together with Edith Stein's text may help bring into relief the many background details of the rich autobiographical work she has left us Chosen Best Spirituality Book of 1986 by the Catholic Press Association **The Pictorial Family Encyclopedia of History, Biography and Travels** John Frost,1854 *Autobiography* Nicholas Rescher,2013-05-02 This revised edition of his Autobiography brings up to date Rescher's account of his life and work The passage of years since the publication of an autobiographical work makes for its growing incompleteness Moreover the passage of time is bound to bring some new perspectives to view This new edition comes to terms with these circumstances Since the publication of the previous version Rescher's philosophical work has made substantial progress betokened by the publication of over a score of new books that mark an ongoing expansion of his philosophical range Then too the internet has brought to light interesting new information about Rescher's family background and antecedence Overall the book affords a detailed vivid and highly personalized picture of the life and work of someone who counts as one of the most prolific and many sided contemporary thinkers **Political Assassins, Terrorists and Related Conspiracies in American History** Scott P. Johnson,2020-11-11 Political assassinations and terrorism have both outraged and fascinated the public throughout American history particularly in the modern era Providing biographical summaries of more than 100 assassins and terrorists

this book aims at a more complete understanding of the motivations behind violent extremism The lives of the subjects are analyzed with a focus on psychological and ideological factors along with details of investigations and criminal trials Conspiracy theories are evaluated for credibility Social media features prominently in explaining political violence by members of extremist groups in the 21st century including radical Islamic terrorists anti abortion activists and white supremacists

Life (It's All about the Family) Lieutenant Dempsie Coffman,2004-04-13 If you have ever wondered what it was like to grow up and work on a cotton farm during the 1950 s you need to read this book It tells about the trials and tribulations of survival while growing up in a large family and only making two dollars each day for working from daylight to dark While I wasn t ashamed of my roots I wanted a better life for my family I knew at an early age that education was the key to unlocking many doors and I only completed the fifth grade After obtaining my G E D General Education Diploma I went to work as a Patrolman for the Lonoke Police Department in July of 1971 I immediately knew that I had found my niche in life and wanted to make a career out of it Four months later I applied for and was accepted as a Patrolman for the North Little Rock Police Department In 1973 I was approached about going to work for the Arkansas State Police and was sworn as a Trooper on October 7 1973 I was promoted to Sergeant on November 23 1984 and to Lieutenant on June 17 1988 For the next six years I was the assistant commander in Troop s B F and E in March of 1995 I transferred to Troop J in Clarksville A short time later I enrolled in a correspondence course at one of the local Universities and eventually obtained a Bachelors Degree in Criminal Justice I completed thirty years of service to the state of Arkansas in October of 2003 and retired on April 30 2004 This book reveals a life of hard work honesty and integrity It deals with education courtship love marriage and the death of a child You will laugh and cry as you read about the antics of growing up in a large family It is both sad and funny but the message is simple Put God first family second and everything else well you know the rest I have also written a book of poetry entitled Southern Charm and a seventy year history book entitled Arkansas State Troopers I believe that you will enjoy reading all of these books

The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Against Autobiography Lia Nicole Brozgal,2013-12-01 The work of Tunisian Jewish intellectual Albert Memmi like that of many francophone Maghrebian writers is often read as thinly veiled autobiography Questioning the prevailing body of criticism which continues this interpretation of most fiction produced by

francophone North African writers Lia Nicole Brozgal shows how such interpretations of Memmi's texts obscure their not inconsiderable theoretical possibilities. Calling attention to the ambiguous status of autobiographical discursive and textual elements in Memmi's work, Brozgal shifts the focus from the author to theoretical questions. *Against Autobiography* places Memmi's writing and thought in dialogue with several major critical shifts in the late twentieth-century literary and cultural landscape. These shifts include the crisis of the authorial subject, the interrogation of the form of the novel, the resistance to the hegemony of vision, and the critique of colonialism. Showing how Memmi's novels and essays produce theories that resonate both within and beyond their original contexts, Brozgal argues for allowing works of francophone Maghrebi literature to be read as complex literary objects that is not simply as ethnographic curios but as generating elements of literary theory on their own terms.

The Fiction of Margaret Atwood Fiona Tolan, 2022-09-22 Winner of the 2023 Atwood Society Award for Best Book on Atwood and Her Work Margaret Atwood is one of the most significant writers working today. Her writing spans seven decades, is phenomenally diverse and ambitious, and has amassed an enormous body of literary criticism. In this invaluable guide, Fiona Tolan provides a clear and comprehensive overview of evolving critical approaches to Atwood's work. Addressing all of the author's key texts, the book deftly guides the reader through the most characteristic influential and insightful critical readings of the last fifty years. It highlights recurring themes in Atwood's work such as gender, feminism, power, and violence, fairy tale, and the gothic, environmental destruction, and dystopian futures. This is an indispensable companion for anyone interested in reading and writing about Margaret Atwood.

Mostly Morgenthau: A Family History Henry Morgenthau III, 2019-10-28 Mostly Morgenthau is the intimate portrait of an extraordinary American family which included an ambassador, a cabinet member, prominent businessmen, and a Pulitzer Prize-winning historian. Reaching back to the eighteenth century, Henry Morgenthau III tells the story of this Jewish family, tracing the careers of his great grandfather, the dynamic but unstable Lazarus Morgenthau (1815-1897) who in 1866 transported his family to New York after making and losing a fortune in Mannheim, Germany; his grandfather, the determined Henry Sr. (1856-1946) who recouped the family fortune and retired from business in midlife to devote himself to public service as ambassador to Turkey and plenipotentiary throughout the Armenian crisis of 1913-15; and his father, the diffident Henry Jr. (1891-1967) who became one of the country's most influential men and as secretary of the Treasury under FDR, one of the first Jews to serve in the cabinet. From his privileged vantage point, the author describes the Bretton Woods Conference, the controversial Morgenthau Plan, the scandal surrounding Harry Dexter White, his parents' remarkably close friendship with Franklin and Eleanor Roosevelt, his sister Joan's spectacular White House coming-out party, the encounter his cousin, historian Barbara Tuchman, had with Roosevelt, and the career of his younger brother, Robert Morgenthau, US district attorney in New York. He also provides an inside picture of the remarkable German Jewish families, the Strausses, Lehmans, Ochses, Guggenheims, Wertheims, who played important roles in American life. Henry Morgenthau III has written a remarkable book, an admiring but still often critical

account of an important American family by one of its members The story of the Morgenthau is classic immigrant history Arthur Hertzberg The New York Times A fondly detailed often humorous intimate family memoir covering the Horatio Alger like rise of an immigrant family to affluence and influence in the New World with a darker more troubling subtext As New York's German Jews emerged from the cocoon of poverty they struggled to camouflage any traces of ethnicity that might distinguish them from the predominantly Christian community Stephen Birmingham Washington Post A fourth generation Morgenthau pens a lively and engaging biography of his family of high achievers overlaid with a fresh view of changing Jewish acculturation during the past two American centuries From letters and family stories the author assembles a gripping and tragic account of the 1915 Armenian massacre Thirty years later during WW II the author's father Henry Jr FDR's secretary of the treasury presented a scathing report to the President on the Acquiescence of the Government to the Murder of the Jews with equal lack of effect Personal history that opens to a larger cultural and political account of the 20th century fluent and passionately humane Kirkus Reviews Storybook histories of old line German Jewish families in America resemble one another to a remarkable degree Mostly Morgenthau the latest and one of the most interesting examples of this genre dissents from the storybook version of events in numerous ways this volume reminds us that American Jewish history is remarkably unpredictable and surprises abound Jonathan D Sarna Commentary Magazine Sprinkled with backroom revelations of the New Deal this dramatic family saga focuses on three patriarchs each driven by a sense of destiny This history of a resilient family includes closeups of FDR Al Smith Ike Eleanor Roosevelt and the author's brother Manhattan district attorney Robert Morgenthau Publishers Weekly Insider family chronicles rarely offer the richness and luster with which the reader is rewarded in Mostly Morgenthau This personalized account is both moving and fascinating As the only recent examination of the Morgenthau impact on American history as an intimate portrait of prominent immigrant society during America's Gilded Age and as a model for those tracing their cultural roots this makes good history Library Journal With the Roosevelts and the Kennedys the Morgenthau are a family greatly and famously in the service of the Republic This book partly family history partly personal memoir adds in a charming way to the story John Kenneth Galbraith The Morgenthau were one of those great German Jewish families who broke through the snobbish anti-Semitism of the WASP mainstream in the nineteenth and early twentieth centuries to become a force in American public life This is a charming intimate portrayal of three fascinating generations in American history Peter Grose I have found Mostly Morgenthau a marvelously engrossing and richly informative account of how a distinguished American family moved from Judaism to assimilation and back to Judaism once more In his four generation story Henry Morgenthau III discusses his forebears with an admirable mix of affection and clear sightedness Not the least of the book's attractions are the lively first hand vignettes it offers of New York's German Jewish patriciate and of FDR and Eleanor Roosevelt at work and play Infinitely rewarding meticulously wrought Mostly Morgenthau is a model of family history a tour de force in a tricky and taxing genre H Stuart

Hughes A fascinating volume I am gratified that Henry Morgenthau has made the time and the effort to chronicle one of the most interesting migr families with a background in this country of nearly two centuries Abram L Sachar
