Blood Kisses Tears Chocolate Collection:

Blood Kisses, Blood Tears Karinn Martel,2015-12-19 Some say that legends are born Others say they are made What if they are both right No one is born with a choice but everyone is born with fear and most live their lives adapting to both Charlie is one such person trudging through each day until she was reborn again without a choice but in a life filled with fear Being abnormally normal she was suddenly thrown into a world she didn't believe existed A world specially created through time just for her arrival with her unique blood A heart that knew nothing but pain is filled by a mysterious man who existed for over a thousand years to be with her again Surviving as a human was hard enough but trying to fit into a world where her very existence could mean the downfall of her new race is much harder than she ever had to deal with Can she find her courage to not only keep herself alive but those of her new family as well Follow along with Charlie as she tells the story of how she became the person she was meant to be This is her story This is her legend **Vampires And Chocolate** Karinn

Martel,2010-11-12 Charlie is a 44 year old woman who can't seem to get herself out of the same boring day to day rut she has put herself into until a group of strangers come into her life from her long ago past to not only change her perspective on herself and all mankind but to also change her into something even she didn't believe could exist Unbeknownst to Charlie when she opened her door to her best and only friend Sue that it would be one of the last days she would know as a human Two days later she goes to a party and meets the man of Sue's dreams but who turns out to be the man of Charlie's nightmares When Charlie wakes up to find strangers in her home who inform her of what she has become she barely holds onto her sanity She learns that a vast and intriguing group of people from history dating back to Adam and directly linked to her and her bloodline had been given the gift of immortality for one purpose only To protect her and her rare unique blood She also learns that not only is she the first triling to have ever been created thanks to her new friends it is legend that she will be the one to save mankind after learning how her third blood type will let her change into an animal form Along the way she makes friends with others from her past who have traveled many lifetimes just for the day she would be born But there is also a horde of enemies who want nothing more than to stop her preferably by death Her only gift after being turned seems to be immortality as she remains completely human Will this be enough to stop them *New Blood* Jane Doe,2023-02-02

Lilly Morgan had spent her life fighting a battle she couldn't win Living with her father was hell he blamed her for the death of her mother and he took every opportunity he could to remind her of that fact Then with a taste of fate she tumbles into her mate's arms Drake moon is a strong fearless alpha there wasn't an enemy big or small that he couldn't defeat But when Lilly fell into his arms he realized very quickly that he was no longer that fearless alpha At that moment he realized his tiny broken mate was the only thing in the world that could scare him But with that terror would come magnetic passionate enchanting love Love that could last forever but first they must fight to stay alive long enough to enjoy it Amid a tragedy they are tested beyond their limits a single moment would change them and the way they look at life forever But as the truth of
