Blue Moon Story Locket

Gerald Bordman

Blue Moon Story Lockets:

Blue Moon Promise Colleen Coble, 2012 Lucy Marsh has lost everything but her determination to provide for her brother and sister. When she realizes her father's death was no accident, she decides to accept a proxy marriage in order to get her siblings out of harm's way. But trouble follows her to Wichita Falls, Texas, and nothing there is as she expected.

Magical Beginnings M.L. Aiken, 2019-10-30 Welcome to Blue Moon Valley, the scariest town in the west, a town for tourists who are looking for a good scare with haunted attractions open all year round and scary creatures that you can run into at any time. So come on down and have a scary good time. I know it sounds crazy, but it's a good cover when you live in a magical town. My name is Starlight, and this is my story, which is rather messed up. I almost died a lot, actually, at one point I think I might have, but that's not the important part. The important part is Devon, my life mate. He saved me every time, and I love him with all my heart, even if he is a dog. It's okay, I'm a cat, so it works.

American Musical Theater Gerald Bordman, 2001-03-01 Bordman not only traces each season's productions, he offers authoritative summaries of the general artistic trends and developments each season. Embracing musical comedy, operetta, revues, and the one man and one woman shows of recent years, the third edition of this essential reference source includes a detailed show, song, and people index.

The Secret's Path Melissa Saholt, 2013-10-28 Meet Sadie Sinclair, an ordinary fifteen-year-old girl with an ordinary life. She goes to school, has friends, and loves her family. The only thing that makes Sadie different from those around her is the fact that she was found on her family's doorstep fifteen years ago, abandoned by her birthparents. Sadie soon discovers she has an extraordinary secret. Her exploration of this secret takes her down a fascinating and emotional path that forces her to leave her hometown of Cheyenne and everything she has ever known. As Sadie embarks on her quest, readers will travel with her between worlds to find that one thing every person desires: acceptance of their true self.

Blue Moon Cameron Dokey, 1995 Kathleen's family has just moved to Charleston when she gets a Dear Jane letter from her boyfriend back home. But more bizarre is the statue of the Civil War soldier in the garden that beckons to her. What she doesn't know is that over a century ago, the curse of a jealous lover turned Chance Davies' flesh and blood to stone. His only release is the power of true love.
