Beyond Anne Frank Diane L. Wolf, 2007 Publisher description **Beyond Anne Frank** Diane L. Wolf, 2007-01-16 Publisher description **Anne Frank: pocket GIANTS** Zoe Waxman, 2015-11-02 The Diary of Anne Frank is one of the most famous and bestselling books of all time Yet the girl who wrote it remains an enigma The real Anne Frank has been lost hidden behind the phenomenon that her posthumously published Diary produced This concise biography will rediscover Anne Frank telling her story from the beginning to the tragic end It will place her life within the wider context of the Holocaust itself and also explore her afterlife seeking to explain why her Diary still speaks to us today **Child Survivors of the Holocaust in Greece** Pothiti Hantzaroula, 2020-11-29 A historical investigation of children s memory of the Holocaust in Greece illustrates that age generation and geographical background shaped postwar Jewish identities The examination of children s narratives deposited in the era of digital archives enables an understanding of the age specific construction of the memory of genocide which shakes established assumptions about the memory of the Holocaust In the context of a global Holocaust memory established through testimony archives the present research constructs a genealogy of the testimonial culture in Greece by framing the rich source of written and oral testimonies in the political discourses and public memory of the aftermath of the Second World War The testimonies of former hidden children and child survivors of concentration camps illuminate the questions that haunted postwar attempts to reconstruct communities related to the specific evolution of genocide in Greece and to the rising anti-Semitism of postwar Greece As an oral history of child survivors of the Holocaust the book will be of interest to researchers in the fields of the history of childhood Jewish studies memory studies and Holocaust and genocide studies *Dutch Children of African American Liberators* Mieke Kirkels, Chris Dickon, 2020-10-14 In the Netherlands a small group of biracial citizens has entered its eighth decade of lives that have been often puzzling and difficult but which offer a unique insight into the history of race relations in America Though their African American fathers had brought liberation from Nazi tyranny at the end of World War II they were in a segregated American military derived from a racially divided American society Decades later some of their children could finally know of a father s identity and the life he had led after the war Just one would be able to find an embrace in his arms and just one would arrive at her father s American grave after 73 years But they could now understand their own Dutch lives in the context of their fathers lives in America Displaced Children in Russia and Eastern Europe, 1915-1953 Nick Baron, 2017-04-18 Across Eastern Europe and Russia in the first half of the twentieth century conflict and violence arising out of foreign and civil wars occupation revolutions social and ethnic restructuring and racial persecution caused countless millions of children to be torn from their homes Displaced Children in Russia and Eastern Europe 1915-1953 addresses the powerful and tragic history of child displacement in this region and the efforts of states international organizations and others to re place uprooted and often orphaned children By analysing the causes character and course of child displacement and examining through first person

testimonies the children's experiences and later memories the chapters in this volume shed new light on twentieth century nation building social engineering and the emergence of modern concepts and practices of statehood children's rights and humanitarianism Contributors are Tomas Balkelis Rachel Faircloth Green Gabriel Finder Michael Kaznelson Aldis Purs Karl D Qualls Elizabeth White Tara Zahra

Spirit of Resistance Jeroen Dewulf, 2010 The first book to offer a complete story of the extraordinary proliferation of Dutch clandestine literature under the Nazi occupation Clandestine literature was published in all countries under Nazi occupation but nowhere else did it flourish as it did in the Netherlands This raises important questions What was the content of this literature What were the risks of writing printing selling and buying it And why the Netherlands Traditionally the combative Dutch spirit of resistance has been cited a reaction not only to German oppression but to German propaganda while the Germans hoped to build bonds with their Germanic Dutch brothers clandestine literature insisted on their incompatibility However when reading clandestine literature one should not forget that this spirit of resistance came rather late and did not prevent the transportation of seventy three percent of the Netherlands Jewish population to Nazi death camps the largest percentage in Western Europe The Dutch case is complex while the country proved to be remarkably resistant to Nazi propaganda little was done to prevent the actual execution of Nazi policies The complete story of Dutch clandestine literature therefore combines resistance and complicity victory and defeat pride and shame Jeroen Dewulf is Queen Beatrix Professor of Dutch Studies in the Department of German at the University of California Berkeley

Fate Unknown Dan Stone, 2023-06-06 Dan Stone tells the story of the last great unknown archive of Nazism the International Tracing Service Set up by the Allies at the end of World War II the ITS has worked until today to find missing persons and to aid survivors with restitution claims or to reunite them with loved ones From retracing the steps of the death marches with the aim of discovering the burial sites of those murdered across the towns and villages of Central Europe to knocking on doors of German foster homes to find the children of forced labourers Fate Unknown uncovers the history of this remarkable archive and its more than 30 million documents Under the leadership of the International Committee of the Red Cross the tracing service became one of the most secretive of postwar institutions unknown even to historians of the period Delving deeply into the archival material Stone examines the little known sub camps and after the war survivors experience of displaced persons camps bringing to life remarkable stories of tracing Fate Unknown combs the archives to reveal the real horror of the Holocaust by following survivors horrific journeys through the Nazi camp system and its aftermath The postwar period was an age of shortage of resources bitterness and revenge Yet the ITS tells a different story of international collaboration of commitment to justice and of helping survivors and their relatives in the context of Cold War suspicion These stories speak to a remarkable attempt by the ITS before the Holocaust was a matter of worldwide interest to carry out a programme of ethical repair and to counteract some of the worst effects of the Nazis crimes

But I Live Charlotte Schallié, 2022-04-27 An intimate co creation of three graphic novelists and four

Holocaust survivors But I Live consists of three illustrated stories based on the experiences of each survivor during and after the Holocaust David Schaffer and his family survived in Romania due to their refusal to obey Nazi collaborators In the Netherlands brothers Nico and Rolf Kamp were separated from their parents and hidden by the Dutch resistance in thirteen different places Through the story of Emmie Arbel a child survivor of the Ravensbrück and Bergen Belsen concentration camps we see the lifelong trauma inflicted by the Holocaust To complement these hauntingly beautiful and unforgettable visual stories But I Live includes historical essays an illustrated postscript from the artists and personal words from each of the survivors As we urgently approach the post witness era without living survivors of the Holocaust these illustrated stories act as a physical embodiment of memory and help to create a new archive for future readers By turning these testimonies into graphic novels But I Live aims to teach new generations about racism antisemitism human rights and social justice

Survivors Rebecca Clifford, 2020-09-29 Shortlisted for the 2021 Wolfson History Prize and a finalist for the 2021 Cundill History Prize Told for the first time from their perspective the story of children who survived the chaos and trauma of the Holocaust named a best history book of 2020 by the Daily Telegraph Impressive beautifully written judicious and thoughtful Will be a major milestone in the history of the Holocaust and its legacy Mark Roseman author of The Villa the Lake the Meeting How can we make sense of our lives when we do not know where we come from This was a pressing question for the youngest survivors of the Holocaust whose prewar memories were vague or nonexistent In this beautifully written account Rebecca Clifford follows the lives of one hundred Jewish children out of the ruins of conflict through their adulthood and into old age Drawing on archives and interviews Clifford charts the experiences of these child survivors and those who cared for them as well as those who studied them such as Anna Freud Survivors explores the aftermath of the Holocaust in the long term and reveals how these children often branded the lucky ones had to struggle to be able to call themselves survivors at all Challenging our assumptions about trauma Clifford's powerful and surprising narrative helps us understand what it was like living after and living with childhoods marked by rupture and loss
