Himes,2014-09-12 What is the meaning and significance of foreknowledge in the book of 1 Peter and how does the concept relate to the circumstances of its first recipients Himes attempts to answer these questions by examining the concepts of both foreknowledge and social identity within the first century and how they fit into the theology of 1 Peter In the process of elaborating the concepts of foreknowledge and social identity this study provides one of the first thorough examinations of the words prognosis and prognosko in the literature of the time period when 1 Peter was composed and circulated Himes argues that these words are linguistically relevant to how early hearers and readers would have understood the message of 1 Peter In addition this volume provides a thorough analysis of social scientific criticism in 1 Peter paying special attention to the various views about the social circumstances of the epistle s recipients Finally this book concerns itself with the biblical theology of 1 Peter and with how the concept of foreknowledge functions as a word of comfort and hope to the beleaguered audience of this epistle Life of Mahomet Muḥammad (Prophet),1833 The Churchman ,1894 *Christian Pamphlets* ,1852 **Lives of eminent persons; consisting of Galileo, Kepler** Lives,1833 Israel Country Study Guide Volume 1 Strategic Information and Developments IBP, Inc,2012-03-03 Israel Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments
