Beyond The Qumran Community The Sectarian Movement Of The Dead Sea Scrolls:

Beyond the Qumran Community John J. Collins, 2010 With the full publication of the Dead Sea Scrolls fresh analysis of the evidence presented can be and indeed should be made Beyond the Qumran Community does just that reaching a surprising conclusion the sect described in the Dead Sea Scrolls developed later than has usually been supposed and was never confined to the site of Qumran John J Collins here deconstructs the Qumran community and shows that the sectarian documents actually come from a text spread throughout the land He examines the Community Rule or Yahad and considers the Teacher of Righteousness a pivotal figure in the Essene movement After examining the available evidence Collins concludes that it is in fact overwhelmingly likely that the site of Qumran housed merely a single settlement of a very widespread movement *Emerging Sectarianism in the Dead Sea Scrolls*, 2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism

Inaugurated Resurrection in Earliest Christianity Daniel W. Hayter, 2025-09-04 Daniel W Hayter explores the concept of inaugurated resurrection within earliest Christianity the view that believers have experienced a present resurrection with Christ in advance of their final resurrection at his return He argues that belief in inaugurated resurrection is already discernible in Paul's own writings in large part due to the influence of Scripture suggesting that the influence of Ezekiel 36-37 on Paul's understanding of the gift of the Spirit helps to explain this belief Paul saw inaugurated resurrection as a way of speaking of receiving the Spirit Hayter thus examines the reception of Ezekiel 36-37 in Second Temple Jewish literature in order to situate Paul's own understanding of these chapters in the wider Jewish context and follows with an extensive exploration of Ezekiel 36-37 in Paul's own writings He argues that Paul understood Ezekiel's vision of the resurrection of dry bones to have been fulfilled in the present in the gift of God's Spirit to those in Christ that Paul's understanding of Ezekiel is then brought to bear on a close exegesis of Romans 6:1-14 and that Paul's view of the Spirit in light of Ezekiel 36-37 helps to explain the strong connection between inaugurated resurrection and baptism Hayter concludes that far from being non-bodily inaugurated resurrection by baptism in one Spirit implies incorporation into the resurrected body of Christ

Scripture as Social Discourse Todd Klutz, Casey Strine, Jessica M. Keady, 2018-06-14 Throughout the last several decades professional biblical scholars have adapted concepts and theories from the social sciences particularly social and cultural anthropology in order to cast new light on ancient biblical writings early Jewish and Christian texts that circulated with the Scriptures and the various contexts in which these literatures were produced and first received The present volume of essays

draws much of its inspiration from that same development in the history of biblical research while also offering insights from other newer approaches to interpretation The contributors to this volume explore a wide range of broadly social scientific disciplines and discourses cultural anthropology sociology archaeology political science the New Historicism forced migration studies gender studies and provide multiple examples of the ways in which these diverse methods and theories can shed new and often fascinating light on the ancient texts The fruit of scholarly work that is both international in flavour and truly collaborative this volume provides fresh perspectives not only on familiar portions of Jewish and Christian Scripture but also on select passages from the Dead Sea Scrolls the Nag Hammadi library and previously untranslated French texts Is

Christianity David C. Sim, James S. McLaren, 2014-01-16 This volume describes the attitudes towards Gentiles in both ancient Judaism and the early Christian tradition The Jewish relationship with and views about the Gentiles played an important part in Jewish self definition especially in the Diaspora where Jews formed the minority among larger Gentile populations Jewish attitudes towards the Gentiles can be found in the writings of prominent Jewish authors Josephus and Philo sectarian movements and texts the Qumran community apocalyptic literature Jesus and in Jewish institutions such as the Jerusalem Temple and the synagogue In the Christian tradition which began as a Jewish movement but developed quickly into a predominantly Gentile tradition the role and status of Gentile believers in Jesus was always of crucial significance Did Gentile believers need to convert to Judaism as an essential component of their affiliation with Jesus or had the appearance of the messiah rendered such distinctions invalid This volume assesses the wide variety of viewpoints in terms of attitudes

towards Gentiles and the status and expectations of Gentiles in the Christian church *Spirit and Scripture* Kevin L. Spawn, Archie T. Wright, 2011-11-10 This book considers the academic treatment of biblical interpretation in the renewal movement the fastest growing tradition in Christendom today The initial chapter surveys the history of biblical interpretation in the renewal tradition and provides a conceptual basis for the book In Part II six renewal scholars outline a proposal for the future of biblical hermeneutics in the tradition These authors address certain key questions What is the role of the Holy Spirit in biblical interpretation What are the distinctive presuppositions methods and goals of renewal biblical hermeneutics Three prominent biblical scholars Craig G Bartholomew James D G Dunn R Walter L Moberly respond to the proposals outlined above These critical responses deepen the examination of renewal biblical hermeneutics as well as increase its appeal to biblical and theological scholars in general The final chapter offers a synthesis and evaluation of the accomplishments of the discussion as well as an assessment of the state of the discipline with an eye toward the future **The Rule of the Association and Related Texts** John J.
