

ACT 2 SCENE 7

Extract 1

(i) Who is asked to draw aside the curtains? Who is asked to make his choice?

Ans. Portia asks one of her attendants to pull apart the curtains so that the different caskets are made visible. The prince Morocco is asked to make the choice.

(ii) What does Portia say later to the prince regarding the right casket?

Ans. After reading the inscription on the three caskets, Morocco asks Portia how he will know if he chooses the right casket. Portia replies that her portrait will be in the right casket. If he selects that one, then she will be his wife.

(iii) Which casket does the Prince of Morocco finally choose? What are the reasons for his choice?

Ans. The Prince of Morocco in the end chooses the golden casket. Morocco argues that base lead can't include the sort of saintly character like Portia. Silver which is ten times inferior to gold also cannot hold Portia as she is such a rich gem. So he concludes that Portia, whom many men desire and is most valuable ought to be contained in the golden casket. Besides, the English have a gold coin which has the figure of an angel engraved on it and Portia is no less than an angel and hence her portrait may be in the golden casket.

(iv) For what reasons does the prince reject the other two caskets?

Ans. The prince of Morocco rejects the base lead arguing that it cannot contain such a noble person like Portia and silver which is ten times inferior to gold cannot contain Portia as she is such a rich gem.

(v) What does the prince find when he opens the casket? What does Portia say when the prince leaves the place.

Ans. When the prince opens the casket he finds a skull and in its eyeless socket a scroll. When the prince leaves the place, Portia calls it a good riddance and wishes that every suitor like him should make a similar choice.

Extract 2

(i) On which casket do the words, who chooses me shall get as much as he deserves, appear?

Ans. The words 'who chooses me shall get as much as he deserves' appear on the silver casket.

(ii) Why does Morocco initially doubt his worth to deserve the lady?

Ans. Morocco initially doubts his worth to deserve the lady because he thinks that though by his own standard, his merits could also be very high, yet those merits might not be sufficient enough to deserve Portia, as her reputation is bigger than his.
