The AP World History Final Exam will be comprised of all material from throughout second semester. This includes notes, vocabulary, chapter readings, and homework assignments (especially any comparison charts). Below is a list of the notes we took this past semester – notes are available on the class website (<http://mrbillbrey.wordpress.com/>). The final exam will be made using the questions you find below – the final questions may be modified or changed in some ways, but will essentially be the same and will reflect the same information. If you can thoroughly answer these questions, you will be able to answer the questions on the final.

There will also be a map section on the Final – see the world map you received as Bell Work. You will be tested over the locations listed on the map.
