Leadership At The Apex Poul Erik Mouritzen,James H. Svava,2010-06-15 Although the relationship between elected officials and appointed executives has often been viewed as a struggle between master and servant with disagreements as to which individuals occupy which roles Poul Erik Mouritzen s and James Svava s comparison of city governments in fourteen countries reveals more interdependence and shared influence than conflict over control Mouritzen and Svava bring local government to the forefront emphasizing the sophisticated level of city management in Australia Belgium Denmark Finland France Ireland Italy the Netherlands Norway Portugal Spain Sweden the United Kingdom and the United States Their findings lead to a revision of the general view concerning the boundaries of public administration Leadership at the Apex illustrates in practical ways how the democratic control of government and professional administration can coexist without undermining the logic or integrity of each other *Learning to Survive* Mneesha Gellman,2025-11-18 Traces the experiences of Yurok high school students and educators as they navigate between Native and non Native spaces Learning to Survive explores how Native American youth are impacted by formal educational experiences through the insights of students and teachers working to revitalize the Yurok language Sharing stories of Native American resilience amidst toxic school and community cultures Mneesha Gellman examines the consequences of the misrepresentation and suppression of Indigenous culture in secondary education Through personal testimonies and interviews from Northern California high schools Gellman traces the experiences of students as they navigate their own identities between Native and non Native

spaces and of educators who relate their efforts in providing their students with not just language instruction but a sense of support and community that goes beyond the classroom. Students and teachers alike detail how they struggle to thrive under systems of white supremacy while protecting and preserving their identity and culture particularly through the work of language education and language keeping. *Learning to Survive* highlights the profound harm done by perpetuating White supremacy and the importance of investing in culturally sustaining curricula. Youth well being suffers when students are faced with hostile school environments and when they do not see themselves or their communities truthfully or positively represented in curricula. This book calls on adults, policymakers, teachers, families, and others to consider what changes we can and should make in our daily work to promote Native American well being in schools.
