Apologia Pro Vita Sua; Being a History of His Religious Opinions John Henry Newman, 1873

Apologia Pro Vita Sua and Six Sermons John Henry Newman, Maisie Ward, 1946-01-01 This newly edited version of John Henry Newman's Apologia Pro Vita Sua sheds new light on Newman's celebrated account of his passage from the Church of England to the Roman Catholic Church and repositions his narrative within the context of transformative religious journeys of other Victorian intellectuals Frank M Turner is the first historian of Victorian thought religion and culture to edit Newman's classic autobiographical narrative Drawing on extensive research in contemporary printed materials and archives Turner's Introduction reevaluates and challenges the historical adequacy of previous interpretations of Newman's life and of the Apologia itself He further presents Newman's volume as a response to ultramontane assertions of papal authority in the 1860s

Apologia Pro Vita Sua John Newman, 2013-04-03 Apologia Pro Vita Sua Latin A defense of his life is the classic defense by John Henry Newman of his religious opinions published in 1864 in response to what he saw as an unwarranted attack on him the Catholic priesthood and Roman Catholic doctrine by Charles Kingsley The work quickly became a bestseller and has remained in print to this day The work was tremendously influential in turning public opinion for Newman and in establishing him as one of the foremost exponents of Catholicism in England

Apologia Pro Vita Sua John Newman, 1864-04-08 John Henry Newman one of the towering figures of the early Victorian Church of England caused shock and outrage in equal measure when he announced his espousal of Roman Catholicism in 1845 His Apologia written nearly twenty years later in response to a scurrilous public attack by Charles Kingsley is a superbly crafted response to those who criticized his actions and questioned his motives and traces his spiritual development since boyhood his close involvement in the high church Tractarian Movement and his agonizing decision to reject the church he had been born into Ostensibly an autobiography and a speech for the defence the Apologia transcends self-justification to

explore the very nature of Christianity and its place in the modern age [Apologia Pro Vita Sua - Scholar's Choice Edition](#) John Henry Newman, 2015-02-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Apologia Pro Vita Sua and Six Sermons** John Henry Newman, Even before the publication of his masterwork John Henry Newman had been regarded as one of the most important religious thinkers on the 19th Century His decision in 1945 to leave his Anglicanism behind and convert to the Roman Catholic faith was one that rocked the Victorian establishment at a time when virulent anti Catholic feeling ran high It was in response to one particularly vicious attack by the Reverend Charles Kingsley that Newman wrote his Apologia Pro Vita Sua A humane and vivid account of the development of his ideas and his faith and a passionate defence of both the book remains a landmark work of Victorian literature and autobiography and one that continues to resonate to this day [Apologia Pro Vita Sua Annotated](#) John Henry Newman, 2020-07-27 Apologia Pro Vita Sua Latin A defense of his life is the classic defense by John Henry Newman of his religious opinions published in 1864 in response to what he saw as an unwarranted attack on him the Catholic priesthood and Roman Catholic doctrine by Charles Kingsley The work quickly became a bestseller and has remained in print to this day The work was tremendously influential in turning public opinion for Newman and in establishing him as one of the foremost exponents of Catholicism in England **Apologia Pro Vita Sua Illustrated** John Henry Newman, 2020-08-27 A highly influential figure in the Church of England John Henry Newman stunned the Anglican community in 1843 when he left his position as vicar of St Mary s Oxford to join the Roman Catholic church Perhaps no one took greater offense than Protestant clergyman Charles Kingsley whose scathing attacks against Newman s faith and honor inspired this brilliant response Apologia Pro Vita Sua Newman s spiritual autobiography explores the depths and nature of Christianity with flowing prose and a conversational style that has ensured its status as a classic False ideas may be refuted by argument but by true ideas alone are they expelled I will vanquish Newman promised not my accuser but my judges His honest and passionate defense consists of a personal history of his religious convictions from earliest memory through the Oxford movement and his ultimate conversion His concluding point by point refutation of Kingsley charges features thought provoking contentions that

strike at the very roots of the principles underlying Protestantism Newman won respect and admiration with his *Apologia* a work that has helped clarify perceptions of Roman Catholicism among readers of every faith
