Vicki Shearin,2016-12-12 Vicki Shearin sounds an alarm of warning to the church in America after being awakened herself by the voice of God One night sound asleep Vicki was literally awoken by a booming question Sodom or Salem That simple three word question encompasses the direction of an entire people Sodom represents judgment and Salem is the earliest name forJerusalem which means peace With compelling historical evidence and Scriptural revelation Vicki explains how We the People can avoid Sodom choose Salem and turn America back to the founding principles that made her the greatest nation on earth *The Sky Beneath My Feet* Lisa Samson,2013-03-04 Being married to a saint isn t all it s cracked up to be Pastor s wife Beth fears her marriage is over when her husband retreats to the backyard shed to await a sign from God as she is left to manage life with their two sons Beth s husband won t be joining the family on vacation at the beach this year He s not

even joining them in the house Instead Rick has holed up alone in the backyard shed Nobody knows exactly what he's up to Maybe he's immersing himself in prayer Maybe he's lost his mind Maybe he's even the modern day prophet or the saint the neighborhood artist imagines him to be But while St Rick waits for an epiphany Beth will have to figure out what to do with herself and their teenage sons possibly for the rest of her life What happens next is both uproarious and bittersweet a peace march turns violent her son is caught with drugs and she embarks on an ambitious road trip that turns into something nearly surreal Will Beth rediscover the idealistic woman she used to be once upon a time Can her marriage survive Rick's backyard vigil Will anything ever be the same And should it be Truthful comic heartbreaking and magical in the very best sense of the word *The Sky Beneath My Feet* gently tears the veil off our egos and expectations to reveal the throbbing redemptive and achingly beautiful life beyond and within us Thought provoking contemporary standalone novel Book length approximately 90 000 words Includes discussion questions for book clubs
