It Came from Something Awful Dale Beran, 2025-06-25 How 4chan and 8chan fuel white nationalism inspire violence and infect politics The internet has transformed the ways we think and act and by consequence our politics The most impactful recent political movements on the far left and right started with massive online collectives of teenagers Strangely both movements began on the same website an anime imageboard called 4chan.org It Came from Something Awful is the fascinating and bizarre story of sites like 4chan and 8chan and their profound effect on youth counterculture Dale Beran has observed the anonymous messageboard community's shifting activities and interests since the beginning Sites like 4chan and 8chan are microcosms of the internet itself simultaneously at the vanguard of contemporary culture politics comedy and language and a new low for all of the above They were the original meme machines mostly frequented by socially awkward and disenfranchised young men in search of a place to be alone together During the recession of the late 2000's the memes became political 4chan was the online hub of a leftist hacker collective known as Anonymous and a prominent supporter of the Occupy Wall Street movement But within a few short years the site's ideology spun on its axis it became the birthplace and breeding ground of the alt right In It Came from Something Awful Beran uses his insider's knowledge and natural storytelling ability to chronicle 4chan's strange journey from creating rage comics to inciting riots to according to some memeing Donald Trump into the White House

The Unmaking of the President 2016 Lanny J. Davis, 2018-02-06 The first comprehensive account that proves that James Comey threw the 2016 election to Donald Trump Compelling criticism lapsed Trump supporters might well open their minds to this attorney's scholarly entirely convincing proof of the damage done Kirkus Reviews starred review During the week of October 24 2016 Hillary Clinton was decisively ahead of Donald Trump in most polls Then FBI Director James Comey sent his infamous letter to Congress on October 28 saying the bureau was investigating additional emails potentially relevant to the Hillary Clinton email case In The Unmaking of the President 2016 attorney Lanny J Davis shows how Comey's misguided announcement just eleven days before the election swung a significant number of voters away from Clinton winning Trump an Electoral College victory and the presidency Drawing on sources in the intelligence community and Justice Department Davis challenges Comey's legal rationale for opening a criminal investigation of Clinton's email practices questions whether Comey received sufficient Justice Department oversight and cites the odd clairvoyance of Trump ally Rudolph Giuliani who publicly predicted an October surprise Davis proves state by state using authoritative polling data how voter support for Clinton dropped after the Comey letter was made public especially in key battleground states Despite so many other issues in the election Trump's behavior the Russian hacking Clinton's campaign missteps after the October 28 Comey letter everything changed Now Davis proves with raw indisputable data how Comey's October letter cost Hillary Clinton the presidency and America turned the course of history in the blink of
