Part I: Declaration of Independence Analysis

In the early 1770's, many American colonists began to think Britain, led by King George III, intended to take away many of the freedoms they had previously enjoyed. The colonies sent delegates to form the Continental Congress in Philadelphia to determine an appropriate course of action. After the Revolutionary War began and following attempts at reconciliation, the delegates of the Second Continental Congress began to believe independence was their only option. Thomas Jefferson began to write a first draft of the Declaration of Independence. On July 2, 1776, the Continental Congress voted to declare independence from Britain. Two days later, Congress approved the text of the Declaration of Independence.
