Need a change of scenery from the hustle and bustle of life? Want the kids to unplug from their devices for a while and connect together as a family? A family weekend getaway in the great outdoors can do wonders for everyone: kids and adults alike. Enjoy easy scenic hikes, float a river, try apple picking or antiques, go mountain biking, pitch a tent or explore the local shops along a charming Main Street. The North Carolina mountain towns of Asheville, Brevard and Bryson City provide the perfect combination of outdoor fun, terrific local restaurants and craft breweries and charming downtowns. Asheville is an architecturally appealing, fun, artsy town with great restaurants and what seems like a craft brewery on every block. It is the most urban of the three mountain towns, but it's also surrounded by the Blue Ridge mountains with scenic hikes and a river perfect for floating. Brevard is a charming mountain town filled with shops, including a great toy store, restaurants, antiques and art galleries, and even a gem mine. It's located just 33 miles from Asheville. It's also home to Dupont State Forest, which offers plenty of hiking and mountain biking trails to explore. The Hunger Games movie was filmed at Dupont, where you can visit Triple Falls, the most recognizable mountain scenery in the movie. Bryson City is another fun outdoor town and possibly the most underrated. Its downtown offers two local breweries, quaint shops and restaurants, and the Great Smoky Mountain Train Depot resides right in the heart of it. Within a 20-minute driving radius of downtown, you have great lakes to swim or canoe, rivers to raft, and hikes to waterfalls. You just can't beat it. This book details the best lodging choices, including hotels, camping options, and VRBO listings, local restaurants and craft brewery recommendations, activities that are fun for both kids and adults, rainy day activities, and helpful tips discovered along the way. All organized into detailed day-by-day plans. Our goal is to help simplify your trip planning by sharing all the details you need for an enjoyable family weekend getaway. *North Carolina Adventure Weekends* Jessie Johnson, Matt Schneider, 2017-11-07 North Carolina Adventure Weekends makes it easy for campers, hikers, cyclists, paddlers, and climbers to plan weekend after weekend of memorable outdoor trips. It's written for both novice and experienced adventurers who enjoy or aspire to enjoy a variety of outdoor pursuits but don't have time to spend hours researching the best destinations or can't get away for a long trip. Most outdoors enthusiasts enjoy a variety of activities, and this is the ideal resource for hikers who love to climb, paddlers who also pedal, and everyone who wants to get the most adventure out of a weekend. It's also ideal for couples, families, or groups who love sharing a weekend getaway but want to do different things. Many guidebooks focus on one specific activity, such as hiking, paddling, or camping, and North

Carolina Adventure Weekends eliminates the need for weekend warriors to spend hours thumbing through multiple guidebooks and websites trying to find the best options for their multisport weekend trips Furthermore regional guidebooks might offer suggestions on different outdoor activities but not pinpoint the best options for adventurers who only have a weekend to explore With North Carolina Adventure Weekends readers have numerous action packed weekend itineraries at their fingertips They ll know not only where to stay to be closest to the action but also which adventures hike routes bike rides paddle trips climbing areas etc are weekend worthy Each chapter highlights a focused geographic area and includes detailed directions so readers can spend more time playing and less time driving from place to place Adventurers will also learn where to stock up on supplies what to do on a rainy day and where to go to rehash the weekend s adventures over an epic worthy meal and a beer
