Assault Weapons Enemy Against People:

How to Win Friends and Influence Enemies Will Witt, 2021-09-21 Political commentator and media personality Will Witt gives young conservatives the ammunition they need to fight back against the liberal media in this instant national bestseller. Popular culture in America today is dominated by the left. Most young people have never even heard of conservative values from someone their age and if they do the message is often bland and outdated. Almost every Hollywood actor, musician, media personality and role model for young people in America rejects conservative values and Gen Zs and millennials are quick to regurgitate these viewpoints without developing their own opinions on issues. So many young conservatives in America want to stand up for their beliefs in their classrooms, at their jobs, with their friends or on social media but they don't have the tools to do so. In *How to Win Friends and Influence Enemies* Will Witt arms Gen Zs and millennials with the knowledge and skills to combat the leftist narrative they hear every day. One Nation Under Guns Arnold

Grossman, 2006 The United States holds the dubious distinction of experiencing more civilian gun deaths than any industrialized nation on earth, nearly 30,000 per year. While a majority of Americans favor far more restrictive gun laws than currently exist, efforts to pass such laws are consistently thwarted by the powerful gun lobby led by the National Rifle Association. Now a new dimension of the gun epidemic has surfaced to cause even greater dangers to our society: deadly weapons in the hands of foreign terrorists. Terrorists need only turn to the flourishing illicit gun trade to amass weapons of destruction as many already have. This eye-opening essay examines the scope of gun violence in this country, its causes, its dangers, and its possible solutions. Part of the Speaker's Corner Books series designed to stimulate discussion on issues that shape our society. *One Nation Under Guns* takes a rational and reasoned approach to an emotionally charged issue.
