Think Red Larry Stoess, 2021-09-27 Have you ever wondered what the church would look like if Christians began to take the words of Jesus seriously the words some Bibles print in red What if Jesus actually meant for us to do the things he said What if those who believe in Jesus really did value the things he valued Would the

church look different Would your neighborhood stay the same In Think Red Larry Stoess takes a close look at the values the vision and the mission of Jesus and then holds up a mirror for us to see if our communities look anything like Jesus If we dare look in the mirror we may be inspired to leave behind our obsession with consumer based religion and follow the way of Jesus Those who do will be set free to imagine creative and whimsical expressions of community *Cultivating an Evangelistic Character* Christopher James Schoon,2018-04-24 This project explores the relationship between worship discipleship and evangelism within the missional church movement Engaging contributions from liturgical theology Christian ethics and post Christendom evangelism the book proposes a missional approach to worship that when integrated with a praxis oriented discipleship cultivates Jesus character among God s people Along the way the project attends to the Holy Spirit s transformative presence the liturgical rhythms of remembering and anticipating and the practices of hospitality and compassion In the end *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God s people In other words God s people become evangelistic or as Newbigin said the hermeneutic of the gospel *Life Amid the Principalities* Michael Root,James J. Buckley,2016-09-15 We are not contending against flesh and blood but against the principalities against the powers against the world rulers of this present darkness Eph 6 12 So Paul warns his Ephesian readers And yet Paul also says that these principalities and powers were created in and for Christ Col 1 16 and cannot separate us from the love of God Rom 8 38 What are the principalities and powers of our time How do we understand them as created fallen and disarmed How does the Christian today engage these powers These are the questions speakers and participants addressed at the 2014 Center for Catholic and Evangelical Theology **Missiology** John Mark Terry,2015-09-01 Thoroughly updated and revised with half of the chapters new to the second edition *Missiology* equips the reader with a vast graduate level resource on contemporary missions *Church Growth in African Diaspora Communities* Paul Araoluwa Ayokunle,2025-03-31 As the centre of Christianity shifts towards Africa African migrants have become a significant source of Christian witness in the West and African diaspora congregations in the UK are springing up and multiplying In this ethnographically informed study Dr Paul Araoluwa Ayokunle explores the factors impacting the growth of three such African diaspora churches in Liverpool England His research identifies the challenges posed by hierarchical leadership styles and an unfamiliar and potentially hostile cultural context as well as the essential nature of ecclesiology one s theological understanding of the church and its calling in answering these challenges Ultimately he proposes a Yoruba based ecclesiology alongside an adaptive leadership model as a way forward for the African church to continue growing in its mission to be a light to the nations including to the once Christian West This book offers a powerful exploration of the richness of grassroots ecclesiology and the role of migration and contextualization in the spread of Christ s kingdom to all peoples and places
