Animal Grace Entering A Spiritual Relationship With Our Fellow Creatures:

Animal Grace Mary Lou Randour, 2011-02-08 *Animal Grace* explores the human animal relationship as a path to enlightenment Randour calls for readers to examine how their lives intersect with members of other species and ensure that those interactions are based on compassion and respect

Animal Reiki Elizabeth Fulton, Kathleen Prasad, 2006-04-05 A great introduction to the growing field of energy medicine Easy to read this book will be enjoyed by animal guardians and veterinarians alike Shawn Messonnier DVM author of *The Natural Health Bible for Dogs Cats* Whether you're a newcomer to the field of energy healing an experienced practitioner or an animal lover committed to learning everything you can about your companion's health *Animal Reiki* will open your eyes to a new level of health and well being From dogs and cats to horses and birds this book is everything you need to understand and appreciate the power of Reiki to heal and deepen the bond with the animals in your life I learned a lot from *Animal Reiki* and highly recommend it to a wide audience Marc Bekoff University of Colorado author of *Minding Animals* and editor of the *Encyclopedia of Animal Behavior* Fulton and Prasad have created a much needed guide to a method of helping animals heal that is gentle intuitive safe and powerful Susan Chernak McElroy author of *All My Relations Living with Animals as Teachers and Healers* A powerful reminder of the wider uses of the system of Reiki and how humanity can be of purposeful benefit to all Bronwen and Frans Stiene International House of Reiki authors of *A Z of Reiki The Japanese Art of Reiki* and *The Reiki Sourcebook*

Every Creature a Word of God Annika Spalde, 2014-03-13 Not just a book about protecting animals also an inspiration towards living an all encompassing Christian spirituality with compassion at its heart

Riting Myth, Mythic Writing Dennis Patrick Slattery, 2012 *Riting Myth Mythic Writing* Plotting Your Personal Story is a both a theoretical as well as interactive book on the nature of personal myth Its intention is to offer participants who wish to explore further the terms and structure of their personal myth over 80 writing meditations that are spread throughout 9 chapters in order to guide the readers writers on a pilgrimage into the deepest layers of their personal myth

Practising Spirituality Laura Beres, 2017-03-07 The steady increase in economic social environmental and political hardships experienced by many around the globe has led in recent years to a corresponding growth in the importance ascribed to finding meaning in life and to addressing the bigger questions As deliverers of care and assistance to people across many different faiths and cultures whose lives are impacted directly by these hardships current and future social workers must learn to apply concepts of spirituality in their own professional practice In this unique and inspiring book a diverse group of authors draws deeply on their own experiences of spirituality in practice providing a fascinating and often moving exploration of how meaning is derived in a variety of different contexts Topics discussed include Mindfulness meditation and the practice of Falun Gong The interaction between spirituality social justice and professional practice The role of spirituality in the provision of palliative care Indigenous spiritualities interconnectedness and human animal bonds The role of spirituality in providing hospitality and acceptance in practice Enriched by a wealth of case studies

and a strong focus on critical reflection throughout Practising Spirituality is an important and thought provoking read for students and practitioners across the full range of health and social care disciplines from social work and counselling to nursing youth work and beyond

The Role of Companion Animals in Counseling and Psychology Jane K. Wilkes, 2009

The human health benefits derived from relationships with companion animals has attracted an abundance of scientific interest and research However there is a need for theoretical conceptualizations in order to understand the healing benefits of human animal interactions The goal of this book is to seek these answers and the OC howOCO and OC whyOCO companion animals play a role in counseling and psychology In depth semi structured interviews were conducted with three psychologists who use animals in their therapy settings The focus of these interviews was to determine the experiences of having a companion animal present during therapy sessions The results revealed that pets in therapy 1 enhanced the therapeutic alliance relationship 2 revived the therapeutic environment 3 improved professional practice and 4 created a sense of sacredness The therapy animals seemed to provide the trust and safety needed for clients to work within the transitional space and that the animals may act as transitional objects for some clients This book suggests that therapy animals are extremely helpful in providing a sense of safety for traumatized clients and could act as catalysts especially with defensive and or detached clients Unique features include discussion of the domestication of companion animals research into the human animal bond social and psychological support theory descriptions of methods used object relations theory and Winnicott s Concepts implications for the practice of counseling and psychology professional and ethical considerations and suggestions for future research Replete with informative appendices that will serve as valuable knowledge this book is a significant resource on the subject of animal assisted therapy for mental health professionals such as counselors clinical social workers psychologists and skilled therapists
