And You Are Christs The Charism Of Virginity And The Celibate Life:

And You Are Christ's Thomas Dubay, 2011-06-21 Father Thomas Dubay one of the foremost authorities on the religious life discusses one of the most important but not fully appreciated or understood charisms of the consecrated life the charism of virginity Although the idea of virginity is unpopular and even despised in modern society Dubay emphasizes that the importance of evangelical virginity is rooted in its Biblical foundation both in the Old and New Testaments Examining in detail what the call to virginity is and how it is integrated into the whole of consecrated life Dubay presents his study in such a way as to be of importance to men as well Noting that a woman because of her feminine nature and traits can image and live the Church's wedded relationship to Christ more realistically Dubay points out that men with the celibate charism are also members of the virgin Church that is wedded to Christ just as in the Old Testament the People of God was a virgin bride wedded to Yahweh The common and distinct elements of male and female consecrated love are fully captured in these pages
