Angels Three Five A Sam Mckensie Novel Sam Mckensie Novels:

Archaeology of the Books of Samuel Philippe Hugo, Adrian Schenker, 2010 Considering the literary dimension of the earliest text history of Samuel this volume asks the question if the comparative analysis of the textual witnesses permit proving the existence of distinct literary editions and identifying the ideological motives that governed the possible modification of the text

The Historical Books Richard Donald Nelson, 1998 In *The Historical Books* Richard D Nelson introduces the basic concepts of history and historical writing and provides a framework of events and periods that can be used to situate historical data reported in texts or presupposed by them Standard interpretive methods are explained and illustrated by reference to 2 Samuel 24 From publisher's description

[The Oxford Handbook of the Historical Books of the Hebrew Bible](#) Brad E. Kelle, Brent A. Strawn, 2020-11-02 The Oxford Handbook of Historical Books of the Hebrew Bible is a collection of essays that provide resources for the interpretation of the books of Joshua Judges Samuel Kings Chronicles Ezra and Nehemiah The volume is not exhaustive in its coverage but examines interpretive aspects of these books that are deemed essential for interpretation or that are representative of significant trends in present and future scholarship The individual essays are united by their focus on two guiding questions 1 What does this topic have to do with the Old Testament Historical Books and 2 How does this topic help readers better interpret the Old Testament Historical Books Each essay critically surveys prior scholarship before presenting current and prospective approaches Taking into account the ongoing debates concerning the relationship between the Old Testament texts and historical events in the ancient world data from Assyrian Babylonian and Persian culture and history are used to provide a larger context for the content of the Historical Books Essays consider specific issues related to Israelite Judean history settlement state formation monarchy forced migration and return as they relate to the interpretation of the Historical Books This volume also explores the specific themes concepts and content that are most essential for interpreting these books In light of the diverse material included in this section of the Old Testament the Handbook further examines interpretive strategies that employ various redactional synthetic and theory based approaches Beyond the Old Testament proper subsequent texts traditions and cultures often received and interpreted the material in the Historical Books and so the volume concludes by investigating the literary social and theological aspects of that reception
