happened and so they sent me to prison for ten years for manslaughter Now I m out on parole and all I want is to return to my home town and rebuild my life but the man who attacked me is back to finish the job he started I can sense the power in me growing If I can t control it it will control me and destroy everything and everyone I love Angel s Breath My name is Richard Riley All I ever wanted was to lead a normal life When I was younger I made some bad choices that ended with me in prison I served my time and now I am trying to put my life back together But someone has framed me for a crime I didn t commit They want me dead and they re willing to kill my friends and family to get to me Even as I try to save the people I love a dark and ancient power grows inside me I can feel its anger rising If it gets away from me it will rip everything in my life apart Earth Angel My name is Kyle Chase I had a bright future as a heart surgeon until an accident brought my world crumbling down Just as I started to get my life back together I stumbled onto a conspiracy that began thousands of years ago a secret my family tried to keep hidden from me Now the conspirators want me out of the picture They will stop at nothing to silence me As I try to uncover my ages old legacy I release a dark power that threatens to destroy everyone I love Angel Tears My name is Serena Rogers After escaping from a juvenile detention center all I wanted was to get as far away from home as I could and never look back Everything changed when I uncovered the dark secret that s been haunting my family since before I was born I am not who I thought I was When I encounter an army of revolutionaries I am faced with an impossible choice fight them and risk the lives of everyone I love or join them and lose my soul Angel of Darkness My name is Frank I joined the police force to make a difference but from the first day on the job everything I ve done has made life worse for everyone around me For twenty five years I searched for meaning to make sense of my life but I never found any answers Just when I decide to turn my back on my life s work I uncover a conspiracy more sinister than anything I ever imagined As I investigate I realize that even if I stop the conspirators the blood of innocents will be on my hands thousands will die If I don t stop them all of mankind will suffer an age of darkness
