IELTS Task 1 General Essay Sample

An English-speaking friend has written to you to ask you how your English studies are going. Write a letter telling your friend about your progress. In your letter

- say what progress you are making
- describe the study methods and any materials you are using
- say what you find most difficult

You should write at least 150 words.

Hello Michael!

How are you? I hope this message finds you well.

Can you believe I have been in England for 3 months already? Time flies! I wanted to send you a message and tell you what has happened in my English classes over the last few months. First, I am happy to announce I have passed the B1 English level test, so I have applied for a student visa! I am still waiting to hear back from the immigration office.

At school, we have started learning about the Present Perfect. It's a little bit difficult to understand, but we have completed a lot of different exercises to help us get the hang of it. We have also been on field trips to some busy street markets in London so we could practise buying food and meet local people. I have also started an English diary which I write in every day to practise my grammar skills.

To be honest, the things I have found most difficult are articles. I never know when to use 'The' or 'A' - usually I just guess. I haven't scored more than 50% in my article grammar quizzes so far. Can you help me?! Haha.

Anyway, I hope you are well. Write back soon!

Yours,

Piotr Shapovalov
