along with the book *The Classroom in a Book* series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students. Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training, *Classroom in a Book*, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. *Classroom in a Book* offers what no other book or training program does: an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files.

Helpful tips: If you are able to search the book search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Flash CS3 For Dummies Ellen Finkelstein, Gurdy Leete, 2007-08-13. Pack pizzazz into your Web sites with Flash. Start with simple animation or create whole pages in Flash. The newest version of Flash offers all sorts of cool options for designing Web sites that stand out from the crowd, and this handy guide makes it easy. Enhance your site with animated graphics; boxes or buttons morph; shapes create text with exotically changing colors; add sound or video, and watch visitors flock to your site.
