

Agriculture

**As I stand out here in the cornfield,
I use my scythe to cut down what's before me,
And I work hard to collect the harvest that
My family has invested so much time in
Over the past year.**

**The corn is to be collected, to be sold,
And eaten as our food source,
And to be given to animals as food, also.
This farm is the way we make our profit,
So we must work hard to make sure that it
Stays in good health above all.**

**So, we work hard to feed the people who will eat it,
To feed ourselves and our livestock.
We need it to get by, so we will continue to work
Hard, no matter the cost it may have.**

Scripture, Culture, and Agriculture Ellen F. Davis, 2008-10-13 This book examines the theology and ethics of land use especially the practices of modern industrialized agriculture in light of critical biblical exegesis Nine interrelated essays explore the biblical writers pervasive concern for the care of arable land against the background of the geography social structures and religious thought of ancient Israel This approach consistently brings out neglected aspects of texts both poetry and prose that are central to Jewish and Christian traditions Rather than seeking solutions from the past Davis creates a conversation between ancient texts and contemporary agrarian writers thus she provides a fresh perspective from which to view the destructive practices and assumptions that now dominate the global food economy The biblical exegesis is wide ranging and sophisticated the language is literate and accessible to a broad audience 21st Century Homestead: Sustainable Agriculture III: Agricultural Practices Marlon Henkel, 2015-02-22 21st Century Homestead Sustainable Agriculture III contains the third part of everything you need to stay up to date on sustainable agricultural practices **New Directions in Digital Poetry** C.T.
