The most reader friendly text on the market ADVANCED ACCOUNTING brings real world accounting topics to the student s
level presenting advanced concepts and issues in a flexible step by step approach This is the only advanced book that
completely separates the following three major concepts dealt with in the consolidations area 1 the general concept of
consolidating 2 the concept of a non controlling interest and 3 the change or no change in basis of accounting concepts for
business combinations Separating these concepts makes it much easier for students than having to simultaneously learn

Joe Ben Hoyle,Thomas Schaefer,TIMOTHY DOUPNIK,2014-10-16 The approach used by Hoyle Schaefer and Doupnik in the
new edition allows students to think critically about accounting just as they will do while preparing for the CPA exam and in
their future careers With this text students gain a well balanced appreciation of the Accounting profession As Hoyle 12e
introduces them to the field s many aspects it often focuses on past controversies and present resolutions The text continues
to show the development of financial reporting as a product of intense and considered debate that continues today and into
the future The writing style of the eleven previous editions has been highly praised Students easily comprehend chapter
concepts because of the conversational tone used throughout the book The authors have made every effort to ensure that the
writing style remains engaging lively and consistent which has made this text the market leading text in the Advanced
Accounting market The 12th edition includes an increased integration of IFRS as well as updated accounting standards
