Nance, Desmond Wenger, 2017-09-20 First

published in 2003 Terrorist Recognition Handbook A Practitioner s Manual for Predicting and Identifying Terrorist Activities remains one of the only books available to provide detailed information on terrorist methodology revealing terrorist motivation organizational structure planning financing and operational tactics to carry out attacks The Official Secret Handbook for Illegal Immigrants Juan Muhammed Kim Esq, F. Jesse James Kiel, 2008-07 The purported guidebook used by

tens of millions of illegal immigrants to enter the United States successfully and prosper once there a satire on Americans who have lost control of their borders and not on foreigners The Wrong Hands Ann Larabee,2015-06-15 A valuable account The Wrong Hands brilliantly guides us through the challenges to American democracy Howard P Segal Times Higher Education Gun ownership rights are treated as sacred in America but what happens when dissenters moved beyond firearm possession into the realm of high explosives How should the state react Ann Larabee s The Wrong Hands a remarkable history of do it yourself weapons manuals from the late nineteenth century to the recent Boston Marathon bombing traces how efforts to ferret out radicals willing to employ ever more violent methods fueled the growth of the American security state But over time the government s increasingly forceful targeting of violent books and ideas not the weapons themselves threatened to undermine another core American right free expression In the 1886 Haymarket Square bombing a new form of revolutionary violence that had already made its mark in Europe arrived in the United States At the subsequent trial the judge allowed into evidence Johann Most s infamous The Science of Revolutionary Warfare which allegedly served as a cookbook for the accused Most s work was the first of a long line of explosive manuals relied on by radicals By the 1960s small publishers were drawing from publicly available US military sources to produce works that catered to a growing popular interest in DIY weapons making The most famous was The Anarchist Cookbook 1971 which soon achieved legendary status and a lasting presence in the courts Even novels such as William Pierce s The Turner Diaries have served as evidence in prosecutions of right wing radicals More recently websites explaining how to make all manner of weapons including suicide vests have proliferated The state s right to police such information has always hinged on whether the disseminators have legitimate First Amendment rights Larabee ends with an analysis of the 1979 publication of instructions for making a nuclear weapon which raises the ultimate question should a society committed to free speech allow a manual for constructing such a weapon to disseminate freely Both authoritative and eye opening The Wrong Hands will reshape our understanding of the history of radical violence and state repression in America Counter-Terrorism for Emergency Responders Robert A. Burke,2017-10-31 Using the authors many years of experience in emergency services and his skills as a hazardous materials consultant prepares the first responder to handle everything from re establishing control and on scene triage to investigating the crime Including information on pre incident and avoidance tactics the author also discusses monitoring and detection techniques protective equipment and decontamination and an extensive list of resource organizations and training opportunities This up to date 3rd edition is written to provide concise information for emergency responders who might be called upon to confront explosive chemical nuclear biological or incendiary acts of terrorism **Popular Indian Leaders Biographies : Biography of Loknayak Jp/Dr. A.P.J. Gandhi, 2021-01-01. Vinayak Damodar Sarvarkar, popularly known as Veer Sarvarkar, has a unique place in the annals of history. Controversy surrounds his name. Some consider him to be one of the greatest revolutionaries in the freedom struggle of India, while others think of him to be a communalist. However, there is no doubt that he was a freedom fighter who not only fought for his country but also evoked feelings of patriotism in fellow citizens through his writings. His biography is an eye opener for it depicts the trials and tribulations of a person who was sentenced to 50 years of hard imprisonment in the Cellular Jail of Andaman and Nicobar Islands, also called the Kala Pani. From his prison cell, he sent his poems to the mainland, memorized by the prisoners who were released. An inspiring biography of a true nationalist.
